SCHOOL MESSENGER – ADDRESS CHANGE

The Department of Education has moved to a new messaging system, "School Messenger". Kaiser has been chosen to pilot the program and have switched over yesterday. You will be receiving attendance notices through this system and may see them in your email inbox.

School Messenger will not only have the capability of doing attendance, but on a larger scale, it will allow us to send documents, notices, lunch balance reminders and more. This year will be our testing year to send out our 'Summer Mail Out' - a packet of registration information, fees, graduation information, and more. (Also the ability to mail in your school fees and receive your schedule before school starts.) Kaiser will be sending out your Summer Mail Out via Post and School Messenger via email. So, it's important to have your email addresses updated.

To check and change your email address, please sign into your Infinite Campus account, go to Contact Preferences and simply type in your new email over your old one. Please check the boxes for your preference on what type of messages you would like to receive. For Infinite Campus help, go here: [Infinite Campus Instructions](#)

If you have moved and changed your physical address within the past year and have not notified us, please fill out the [Change of Demographic](#) form and submit it to the Registrar's office with a Proof of Residency (utility bill, lease or mortgage agreement).
