[Orange Vista](#) and [Crean Lutheran](#) take on one another this Thursday at 7:00 PM on Orange Vista's home turf. This could be a nice opportunity for Crean Lutheran as Orange Vista has a 1-4 record at home.

Millikan delivered Orange Vista a harsh 56 - 14 defeat last week.

As for Crean Lutheran, it brought the heat last game after its low-scoring effort (zero points) in the match before. It crushed St. Monica two weeks ago, winning 39 - 0. At 39 points, that marked Crean Lutheran's largest margin of victory so far this year.

Orange Vista's defeat dropped it to 2-5 while Crean Lutheran's win brought it to 4-3. We'll see if Crean Lutheran can add another positive mark to its record or if Orange Vista can shake its loss and take the spring out of Crean Lutheran's step.
