

# CULVER CITY UNIFIED SCHOOL DISTRICT

## S.M.A.R.T. Goals

A professional practice and goal names an action that is going to be taken by the teacher-something the teacher will do to positively impact student learning. The teacher's action must be linked to the rubric-the goal should use terms that are in the rubric and should reflect the language in a specific domain.

Suggested template for writing a Professional Practice Goal. Feel free to modify as necessary-we are providing this template for educators to have a sense of the components needed to draft a complete goal:

In order to \_\_\_\_\_, I will \_\_\_\_\_. I will monitor my progress towards this goal by \_\_\_\_\_.
