

**STUDENT REPORT
MAY 20, 2014**

-Our new Leadership class for the 2014-2015 school year has been officially chosen. A little over 60 people applied, and we only had room for less than 10 spots. Congratulations to all our new students!

-Scoops on Scoops: On Friday, May 16th, the Leadership class gave out free ice cream to students to help lighten the mood during these last stressful weeks of school. The event was very successful, and there was no ice cream left.

-Our last Leadership bonding will take place on Thursday, May 29th. This is the last time all of our Leadership students from the 2013-2014 school year will be together.

-Senior Grad Night (not a Leadership event but a Senior event) is May 30th. It all takes place at school, and is \$25 to attend. There will be laser tag, glow in the dark frisbee, movies, swimming, music, etc. A huge thanks to Ms. Newbill for planning it all!

-As the school year is coming to a close, Leadership doesn't have many big events left. Because of this, we are trying to make everyone have a last few weeks of school, and make it as least stressful as possible (by putting up motivational signs, giving out ice cream, etc.).

-The fishbowl activity will now take place on the Monday or Tuesday before the 2014-2015 school year begins. We decided that having it at the beginning of the school year would be more effective as it will be fresh in the teachers heads. The comments from the student forum that Leadership collected will be used for the activity still.

-Graduation grams were delivered on Friday, May 16th. This was the first year we delivered Graduation Grams, and though we didn't sell an immense amount of grams, a tradition has been started, and we hope the event will become more popular.
