

## HOLY FAMILY CATHEDRAL SCHOOL

530 South Glassell Street Orange, CA 92866

714-538-6012

October 2017

Dear Friends,

The greatest need for our students this year at Holy Family Cathedral School is classroom technology. Our goal is to increase the number of ipads in the primary grades (this includes ipads, warranty, licensing, covers, and cart). Educational apps are used with ipads, but are a cost and include licensing fees. New laptops for the teachers are necessary as their laptops are now over six years old. In addition, a new server for the school is needed.

As a result of the growing demand for school-wide and classroom technology, we are creating a PARTNERS IN TECHNOLOGY EDUCATION. As a PARTNER in TECHNOLOGY Education you can partner with an individual classroom, a grade level, or the greater technology pool that will help meet these technology needs. The donation is a minimum of \$500 to become a PARTNER In Technology Education.

As a Technology FRIEND, you can make a gift to classroom technology at any amount to help with an individual classroom or grade level's technology needs.

Please contact Barbara Kelly, 714-538-6012 x360, [bkelly@holyfamilyk8.org](mailto:bkelly@holyfamilyk8.org) for more information or to make a financial gift to classroom technology. Thank you for your consideration and commitment to Holy Family Cathedral School.

Gratefully,

*Barbara Kelly*

Barbara Kelly

Director of Development
