

hello

my name is

Freshman Wildcat

...Almost!

8th grade Registration is coming!

Students and parents should plan to attend the

Registration Meeting

Temple High School

Tuesday, February 6th

6:10...THS Auditorium

Doors to the auditorium will open at 6:00

From 5:30-6:00

Tables with information about electives and programs at THS will be available. Teachers of those programs will also be available to answer questions.

The evening is designed to provide information so you can make good decisions for your 9th grade schedule and 4 year plan. THS counselors will meet at each middle school with students and parents individually to complete the 4 year plan in the weeks after the registration meeting. Talk to your middle school counselor for times. Look through the catalog, come to the event and have an idea of 4 elective classes you would like to take your Freshman year at your meeting with the counselor.
