

## **8110 - Attendance Areas**

The Board of Education directs the assignment of pupils to schools, programs, and classes in a manner that is consistent with the best interests of the pupils and the best uses of the resources of this district.

The Board shall determine the school enrollment areas of the district to determine the assignment of pupils to school in accordance with Policy 5120.

The Superintendent shall annually review existing enrollment areas and recommend to the Board such changes as may be justified by considerations of safe pupil transportation and travel; convenience of access to the schools; financial and administrative efficiency; the effectiveness of the instructional program; and a wholesome and educationally sound balance of pupil populations.
