Pataula Charter Academy After School Program

The after school program charges are below:

\$5 a day per child

One child: \$25 per week

Two children \$40 per week

Three children \$60 per week

Four children \$80 per week

The after school charges must be paid in advance. Your child must be picked up NO later than 6:00pm. There will be an additional charge of \$1 per minute per child after 6:00pm that must be paid that day. Non payment will result in your child NOT being able to stay in the PCA after school program.

The daily rate for after school is discounted. The above rate will be in effect as long as we maintain our current enrollment in the after school program. This rate is subject to change. Thanks for your continued support.
