Dear Parents/Guardians & Students:

On behalf of the teachers and staff of Carteret High School, it is my pleasure to welcome new and returning students and families to 2018-2019 school year at Carteret High School. This is an exciting journey. Our primary focus is learning and offering all CHS students the educational opportunities that will maximize their potential to be college and career ready. With the graduation requirements of Carteret Board of Education, it is our mission for all students to receive an education that will maximize their potential and graduate within 4 years.

This is a year of engaging, meaningful, and rigorous work in classrooms combined with special events, and a plethora of activities to include visual & performing arts groups and athletic teams. We encourage every student to be involved and stay connected at CHS. I welcome the involvement of both parents and students as we work together to provide the best possibilities to EVERY student at Carteret High School.

You will find helpful information and important documents on both the district website and Parent Portal. Please review all important documents that must be completed on Parent Portal.
