

2017-2018 Transportation Release

Parent please initial beside the paragraph that applies to your request

We, the undersigned Parent(s)/Guardian(s) of _____

_____ hereby consent to his/her signing into school at a later daily start time as a result of college classes with a delayed start time. We acknowledge and agree that our student may enter campus later than the regularly scheduled Wilkes Early College High School start time.

_____ hereby consent to his/her signing out of school after the completion of his/her classes for the day due to the completion of their school schedule. We acknowledge and agree that our student may leave campus prior to the regularly scheduled Wilkes Early College High School release time.

We further acknowledge, that the student is required to check in and out daily using the designated method of scanning in and scanning out. Students who do not follow this procedure will be required to attend school at the normal start time and stay until regular dismissal in conjunction with disciplinary action. Students at no time may scan in or out for a fellow student. It is the WECHS responsibility to account for students at all time. This process allows us to know when and if students arrived on campus or have left to travel home. Furthermore, students who are in poor academic standing will lose their privilege to arrive late or early. This decision will be made by the school administration for the length of time designated as appropriate and necessary.

By signing below, we hereby release Wilkes County Board of Education and all employees and/or agents from any liability whatsoever related to such transportation and/or release during the regularly scheduled day.

We understand that our son or daughter is not allowed to transport other students to or off campus during this time unless requested in writing to the school by the parent of the student and approved by administration. The parents of BOTH students must have the request in writing prior to transportation of the student. Failure to do so may result in disciplinary measures.
