

AGREEMENT FOR SERVICES
between
THE CITY of SEASIDE and
THE MONTEREY PENINSULA UNIFIED SCHOOL DISTRICT
for
SCHOOL RESOURCE OFFICER (SRO) SERVICES

This Agreement for School Resource Officer services (hereinafter referred to as Agreement) is entered into on this 2nd of July, 2015, by and between the City of Seaside, a municipal corporation (hereinafter referred to as City), and the Monterey Peninsula Unified School District (hereinafter referred to as MPUSD), for the delivery of School Resources Officer (hereinafter referred to as SRO) services by the City to MPUSD.

WITNESSETH

WHEREAS, Seaside desires to contract with MPUSD to provide an SRO to MPUSD students and schools located within the City's jurisdiction, as defined below and in the Scope of Services, attached hereto as "Exhibit A," and incorporated by reference.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

TERM:

The term of this Agreement SHALL BE FOR TWO YEARS FROM July 2, 2015 (hereinafter "Commencement Date") through and including June 30, 2017.

The School Resource Officer Program that is currently in place within the MPUSD schools offers excellent educational, safety and crime prevention programs that benefit the students and employees of MPUSD, as well as serving the citizens of Seaside.

Historically Seaside provided two SRO's to serve MPUSD schools and students located within the boundaries of the City of Seaside. Due to the economic downturn, one SRO position was eliminated, resulting in the one remaining SRO position. The SRO provides oversight for the enrichment programs and mentoring opportunities for MPUSD students. The program has been and will be collaboratively planned and approved by appropriate representatives of the Seaside Police Department and the appropriate MPUSD Principal (and, as needed, an appropriate school district administrator). The position will be split-funded between the City and MPUSD as more fully described in the Program Costs section of this Agreement as set forth below.

PURPOSE:

To create and encourage, through every useful means, desirable behavior on the part of the youth and of this community; to promote and instill a safe environment in and

around the MPUSD schools within the City; to exchange wholesome communications and ideas between students, parents, MPUSD employees and police officers with crime prevention, good citizenship, and healthy relationships being the ultimate results.

The SRO program allocates one full-time police officer from Seaside to be assigned to MPUSD schools within Seaside. The SRO shall serve as a liaison between the Police Department and MPUSD for the welfare and common good of MPUSD students, MPUSD employees and the community at large.

ORGANIZATION:

The SRO will report to the appropriate Police Department supervisor to whom he/she is assigned. Working with MPUSD, the SRO is expected to cooperate with school officials, including MPUSD administrators, and other MPUSD staff members. The SRO is to be knowledgeable in laws that apply to a safe school environment. The SRO is to abide by MPUSD policies and respond to the needs expressed by MPUSD school officials; however, in the event of a conflict between an MPUSD school and/or MPUSD policy, and City or Department policy, City and/or the Department's policy shall supersede the MPUSD school policy.

The SRO shall at all times remain an employee of the City, and shall not be considered an employee of MPUSD. MPUSD and Seaside acknowledge that the SRO shall remain responsive to the chain of command of his/her respective Department.

DUTY HOURS:

The SRO will normally work in uniform, including safety equipment designated for use by sworn personnel pursuant to his/her Department's policies, practices, and existing employment labor agreements.

SRO duty hours shall be determined by the provisions of the labor agreement between the Police Department and the bargaining unit representing the SRO, with input from the MPUSD. Whenever possible, it is the intent of the parties that the SRO's duty hours shall conform to the school day.

MPUSD shall be advised of the SRO's standard work schedule, in writing, prior to the start of the school year. The SRO may adjust his/her work schedule, with approval from his/her Police Department supervisor, in order to accommodate school activities and requests. The Police Department shall, in accordance with Departmental needs, policies, practices and existing MOU, make every effort to schedule the SRO on those days school is in session and during special school activities.

It is understood and agreed that time spent by the SRO appearing in court cases arising from and/or out of their employment as an SRO shall be considered as hours worked under this Agreement. In the event any school requires an SRO to attend any extracurricular activities, such as but not limited to, sports events and evening meetings, where the SRO cannot adjust their regular schedule, MPUSD agrees to pay for the Officer's overtime costs.

Overtime must be approved in advance by the SRO's Department supervisor when work schedule adjustments are not practical. The Department shall use its best effort to ensure the SRO provides services to the MPUSD schools except when he or she is on paid leave or otherwise absent.

The SRO is expected to be available by telephone when off campus during working hours.

The SRO will rotate his/her time amongst the schools in the MPUSD within the boundaries of Seaside. The SRO, in coordination with the MPUSD, will establish a schedule for rotation between the schools that will provide adequate coverage for each campus. It is understood that the schedule will be driven by calls for service and campus need. Therefore, the rotation will not guarantee each campus receives the same amount of SRO coverage.

When school is not in session, such as holidays, summer vacations, and seasonal breaks, the SRO will report to his/her Department supervisor for further assignment.

Pursuant to Department protocols, the SRO is required to notify his/her supervisor of any absence and should also notify a designated MPUSD representative whenever possible. Otherwise, the SRO supervisor or Watch Commander will notify MPUSD when the SRO is absent from work. Except for unforeseen circumstances, elective time off for the SRO should be utilized when school is not in session. Elective time off scheduled during the school year shall be backfilled by utilizing on duty patrol personnel, at no additional cost to the MPUSD. Such coverage will be in addition to regular patrol officers, not a dedicated presence.

When school is in session, the SRO will generally be assigned to the schools and will not normally be available for general patrol duties, except in and around MPUSD campuses within the City or in conjunction with preliminary and follow-up investigations that occur on or near MPUSD campuses. The SRO may only be utilized outside of the schools in the event of an in-progress emergency, or as determined by the City's Chief of Police.

If an MPUSD principal believes that an incident is a violation of the law, the principal may contact the SRO who shall then determine whether law enforcement action is appropriate. The SRO is not to be used for regularly assigned lunchroom duties, bus duty, hall monitor, or other monitoring duties. The SRO is also not to be used as a crossing guard or for continuing vehicle traffic control. However, if there is a temporary problem, the SRO may assist the school until the problem is solved.

PROGRAM COSTS:

Under this Agreement, MPUSD agrees to pay the City fifty percent (50%) of the City's fully burdened costs for the SRO position for FY 15/16 and FY16/17. Payment shall be made in four (4) equal quarterly payments each year for the term of the contract. At

the conclusion of FY 16/17, the parties will consider further multi-year Agreements for this position.

Each of the parties understand that each party's funding priorities may require the reduction or elimination of the respective School Resource Officer program, and any/each of the parties may terminate this Agreement without any further obligation upon sixty (60) days written notice.

INDEMNIFICATION AND INSURANCE:

Each party agrees to indemnify, defend and hold harmless the other party, their respective elected and appointed officials, officers, agents, and employees, from and against any and all claims, losses, actions, damages, expenses or liabilities, including reasonable acts or omissions. Each party assumes worker's compensation liability for injury or death of its elected and appointed officials, officers, agents, and employees, and assumes no worker's compensation responsibility for the elected and appointed officials, officers, agents and employees of the other party. Accordingly, MPUSD and City each waive rights of subrogation against one another as respects workers compensation.

Notice in writing shall be given at least thirty (30) days in advance of cancellation thereof.

Insurance shall be through an organization authorized by law to transact insurance business in the State of California. Each of the PARTIES agree that each party may self-insure against any loss or damage, which could be covered by a comprehensive general public liability insurance policy, and may also obtain coverage through an insurance pool.

Policies shall also be endorsed to provide such insurance as primary insurance and that no insurance of an additional insured shall be called on to contribute to a loss covered by insurance. Any insurance required of either party to this Agreement may be provided by a plan of self-insurance and/or a public entity risk-sharing Agreement at the option of the party.

CONTRACT SUPERVISION:

The MPUSD shall designate an official authorized and assigned to represent the interest of the MPUSD and to ensure that the terms and conditions of this Agreement are carried out. That official will be identified to the Chief of Police upon execution of this Agreement. The Chief of Police or his/her designee shall administer this Agreement on behalf of the City.
