

El Rancho Unified School District Aeries Mobile Portal for Students and Parents

An advertisement for the Aeries Mobile Portal app. The background is white with a faint illustration of a student's head and a calculator. The text is in a clean, sans-serif font. At the top left is the Aeries SIS MobilePortal logo. The main headline reads 'Check in on your student progress anytime, anywhere.' Below this is a sub-headline: 'For Aeries SIS districts, Mobile Portal puts student data in the palm of your hand. View grades, attendance, contact and demographic information for your student, all on the go.' At the bottom left are the 'Download on the App Store' and 'GET IT ON Google Play' logos. On the right, two smartphones are shown. The front phone displays the app's home screen with a student profile and a 'Get Started' button. The back phone shows the 'create account' screen with fields for 'Student' and 'Parent or Guardian'.

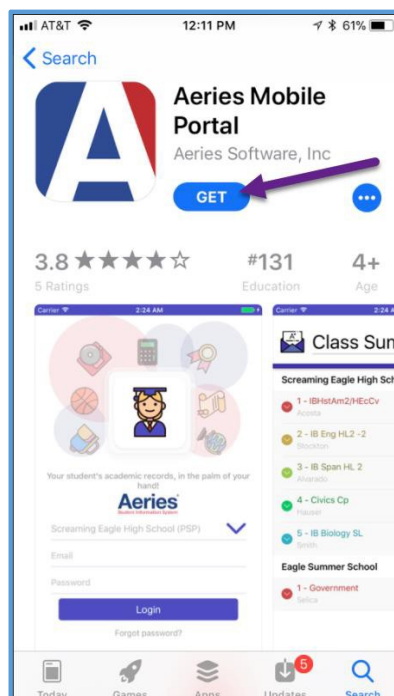

Getting the App

The app is available through the iPhone Apps Store or Google Play. Search for “Aeries Mobile Portal.” The first app that appears is not an application that was created or is supported by Aeries, so make sure you choose the correct app to download.

Getting Started

Once the app has been installed on your phone, click on “Get Started”.

First-time setup will require you to enter your school name. If you have students enrolled in more than one school, you can search for any one of your schools.

Select your school from the list of schools provided. Confirm your school by clicking on “Choose School”. Then a final confirmation screen will appear. Click “Yes”.

Logging In

After confirming your school, a log in screen will appear. ERUSD Creates parent portal accounts automatically upon enrollment as long as a parent email has been provided. You will receive a confirmation email at the time the account is created. If you have already accessed your portal account and created a password, you can simply enter them on the login screen.

Don't have an account? Create

Because our portal accounts are automatically generated, DO NOT click on “Don’t have an account?-Create” as you will not be able to create your own portal account. Contact your school office if you need assistance accessing your portal account, so we can verify the information we have on file and troubleshoot any issues. **Note: This app was not developed by ERUSD.**
