School Description

Live Oak Elementary School has an enrollment of over 600 students in grades Transitional Kindergarten through sixth. Our unique community demonstrates respect in a culturally diverse population and works together toward common leadership and academic goals. Our school is situated on a picturesque 12-acre site located in the southeastern part of Fallbrook, near Live Oak Park. Live Oak has an impressive focus on strong academic achievement and a team committed to meeting the needs of all students. The Fallbrook Union Elementary School District (FUESD) believes highly effective teachers are reflective, research driven practitioners that construct and use an array of assessments, data results, and instructional resources to structure engaging learning opportunities for a diverse population of students in a respectful environment. Highly effective teachers are lifelong learners that secure mastery of content, skill development, and pedagogical strategies. As a Leader in Me designated Lighthouse school, Live Oak Elementary students will be engaged, take responsibility for their learning, and respect themselves and others in a safe learning environment where high standards, leadership goals, and a growth mindset are of greatest priority. Students will become self-confident and skilled citizens ready to embrace college and career goals through hard work and perseverance. We focus on all students graduating from high school who are globally competitive, technologically accomplished, and are fully prepared for postsecondary life and the work force in the 21st century. As a professional learning community, we have implemented the California State Standards using a common instructional framework, while maintaining a needed focus on our English language learners. It is our expectation that the philosophies of the Leader in Me and "The 7 Habits of Highly Effective People" will be developed, modeled, and fully integrated in everything we do. The staff remains committed to providing systematic schoolwide intervention (Team Advantage), which focuses on differentiated and small group instruction. Parent involvement is a priority at Live Oak and directly connected to our success. We believe that students, teachers, and parents should work closely together in an atmosphere of mutual respect and collaboration. Our school has implemented Positive Behavior Intervention and Support (PBIS), as well as attained FranklinCovey's Lighthouse School status with a focus on lowering chronic absenteeism, developing leaders, and increasing school attendance.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Textbooks are recommended by District academic committees which have representation from all school sites. A public review of proposed adoptions is advertised, and community members are invited to participate in this process. All students are assigned adopted textbooks. In Fallbrook Union Elementary School District each pupil, including English learners, has access to his or her own copy of the Standards-aligned textbooks (approved by the State Board of Education) and instructional materials in the core curriculum areas of reading/language arts, math, science, and history-social science to use in class and to take home. All textbooks are consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education. Visual and performing arts are taught to all students through integrated lesson plans during regular curriculum instruction.

School Facility Conditions and Planned Improvements (Most Recent Year)

Live Oak Elementary School has 34 classrooms as well as auxiliary rooms including a library, multipurpose room and cafeteria. All classrooms, library, offices and staff lounge have upgraded technology and internet access. The custodial staff has developed a cleaning schedule to ensure a neat and orderly campus. The district maintenance staff ensures that the maintenance necessary to keep the school in good repair is completed in a timely manner. A work order process is used to ensure services and emergency repairs are given high priority. A complete and thorough facility inspection is done annually to identify future areas to address and prioritize facility needs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Students with Disabilities	19	18	94.7	27.8
Students Receiving Migrant Education Services	13	13	100.0	7.7

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Live Oak Elementary is committed to working with our parents to extend and enrich the school experience for all students. We believe in providing parents and families with regular communication through our school website, Peachjar eflyers, "all calls/texts," weekly communication folders and our school newsletter. Opportunities for parents to engage in the school are outlined annually in our site parent involvement policy. We welcome parents on our campus and annually offer a "Meet and Greet" before school begins, a Fall "Back To School Night", student-led parent conferences, Coffee and Conversation with the Principal, a "Leadership Day," and Spring "Open House." We offer a variety of parent volunteer, education, and engagement opportunities such as: Movie Night, Fall Festival, STEM Education, Literacy Night, Lunch on the Lawn and a Wellness Fair. We encourage parents and community members to join the Parent Teacher Association (PTA), and to participate on or attend school committee or council meetings, including English Learner Advisory Committee and School Site Council. For more information regarding parent involvement opportunities please contact the site administration or your child's teacher.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Each Fallbrook Union Elementary School District site completes a Comprehensive School Safety Plan (CSSP), including a disaster preparedness plan annually. Copies of the Comprehensive School Safety Plans are available for review at each school office. The plan includes emergency procedures for school safety, natural disasters and campus intruders. It also contains appropriate strategies and programs that will provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety. Students, teachers, and staff are trained to prepare for a wide range of emergency situations, and frequent drills help to refine emergency skills, policies, and procedures at all school sites. Following each drill, specific and intentional feedback is sought from all participants, including law enforcement, to continually improve emergency procedures, and improve campus safety.

Additionally, school administrators work closely with local law enforcement and/or the Provost Marshall's Office on Camp Pendleton. They review site Comprehensive School Safety Plans annually, participate in emergency drills, provide feedback, attend site and district safety meetings and collaboratively help to improve overall campus safety, climate, and security.

Finally, school and district administrators immediately investigate threats of harm. Teachers and administrators seek to foster lines of open communication so students and parents feel comfortable reporting inappropriate activity including bullying, harassment, or threats. All FUESD staff take a strong stand against threatening behavior or bullying, and investigate complaint matters fully. Many positive programs exist districtwide to enhance and continually improve school culture and climate, including Positive Behavior Intervention and Support, Restorative Practices and Trauma-Informed Practices.

Professional Development provided for Teachers

FUESD provides research-based professional learning to support the effective implementation of standards-based curricula, instruction, and assessment. During the 2017-18 school year, all teachers continue to be supported in their effective discernment in applying the District's instructional framework which encompasses: Direct Interactive Instruction (DII), the 5 Es (Engage, Explore, Explain, Elaborate and Evaluate) Model of Instruction and Project Based Learning (PBL). All school sites have full-time Teachers on Special Assignment (TOSAs) whose focus is to provide job-embedded coaching and direct teaching in Science, Technology, Engineering and Mathematics (STEM). The TOSAs also co-plan and co-teach hands-on, conceptual lessons in Mathematics and Science in Innovation Labs at all K-6 and K-8 schools. New, Next Generation Science Standards (NGSS) units will be implemented with STEM TOSA support and with new FOSS curricula in Grades K-5. All Science units in Grades 6, 7 and 8 are NGSS aligned. All teachers are supported in their implementation of new supplemental curriculum, Lingual Learning, to teach English Language Development (ELD). All teachers have attended standards-based training in California State Standards Mathematics and English Language Arts, and are in the third year implementation of an online planning tool, Lessoneer. This year, the district partnered with Discovery Education/STEMformation, to support our efforts to redesign teaching and learning with a systematic, comprehensive approach for creating and implementing personalized and inquiry-based STEM classrooms. Every school site also developed site-specific professional growth plans that are aligned with the FUESD Blueprint for Student Success 3.0. Each Wednesday is a shortened school day devoted to structured teacher collaboration and planning. All teachers and classified staff have been trained in the District's student and adult leadership initiative, The Leader in Me, based on Stephen Covey's work in developing the "7 Habits of Highly Effective People." Staff members attend training outside of the district facilitated by highly trained and respected professional educators to support the effective implementation of instructional initiatives. During the 2017-18 school year staff attended professional development in the areas of Reading Comprehension, Writing, STEM and Strategic Learning Practices for Elevating Achievement. All teachers are required to attend a minimum of 30 hours of professional development each year.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
