Dear Parents and Students:

The state assessments (STAAR) are scheduled in the coming months. Please make a note on your calendars about these assessments. It is very important your child **be on time and present these days.** *Please do not schedule any appointments on STAAR test days. There should be no interruptions once the testing begins.* We are teaching and preparing students every day, and we want to provide every opportunity for them to be successful on the assessment days. With your help, our students can succeed.
