

0167 PUBLIC PARTICIPATION IN BOARD MEETINGS

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest.

In order to permit the fair and orderly expression of such comment, the Board shall provide for two periods of public comments at every regularly scheduled meeting of the Board, the length of the portion to be determined by the Board, for public comment on any school or school district issue that a member of the public feels may be of concern to the residents of the school district. The Board will also provide for one public comment session for every special meeting.

Public participation shall be governed by the following rules:

1. A participant must be recognized by the presiding officer and must preface comments by an announcement of his/her name, municipality of residence, and group affiliation, if applicable;
2. Each statement made by a participant shall be limited to a reasonable time as determined by the presiding officer.
3. No participant may speak more than once on the same topic until all others who wish to speak on that topic have been heard;
4. All statements, questions, or inquiries shall be directed to the presiding officer; and any questions or inquiries directed by a participant to another Board member shall be redirected to the presiding officer who shall determine if such statement, question, or inquiry shall be addressed by the presiding officer on behalf of the Board or by the individual Board member;
