School Description

Principal's Message

Located at 298 Patton Parkway Drive in the city of Marina, California, Marina High School is one of three comprehensive high schools in the Monterey Peninsula Unified School District. Formerly the site of Patton Elementary School, which closed due to the closure of Fort Ord, Marina High opened in August, 2006 and remains the smallest of the district's three high schools. The City of Marina itself encompasses 9,000 acres and is primarily suburban.

Presently, Marina High School hosts grades 9 - 12, totaling 567 students. This year Marina High School will have its ninth graduating class. Marina High School is in its 11th year of operation. Our students represent a population with varied cultural, economic, and educational backgrounds. The community from which most of the students come is often referred to as one of the top-ten most diverse populations in the United States.

We offer rigorous college prep and advanced courses for all our students, including those with special needs. We have developed a successful full-inclusion program to accommodate our special needs students as well as other educational pathways to accommodate different learning styles. Our mission at Marina High School is to engage and inspire all scholars with life-changing opportunities through interdisciplinary rigorous academics, career technical education, collaborative work-based learning, and access to college-level courses, while preparing them to be competitive in a global society and economy. To this end, the graduates of Marina High school will be self-aware, thinkers, agents of change, life-long learners, and prepared for life.

We are a fully accredited academic institution authorized by the Western Association of Schools and Colleges. The challenge we face each year as a growing school is to continue to provide a rich and varied curriculum with a small but growing teaching force, meeting the needs of all students. We will be working with our parents, community, local colleges, Career Technical Education (CTE) offerings, and other educational groups to provide new courses, including AP-level courses, community college courses, as well as needed intervention classes and school enrichments. We are the Marina Mariners and our motto is Navigating the Future. Success for all is our ultimate destination. We invite you to come on board and navigate with us.

Rebecca Tyson
Principal

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2016-17 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 9	135
Grade 10	178
Grade 11	138
Grade 12	134
Total Enrollment	585

2016-17 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	4.3
American Indian or Alaska Native	0.5
Asian	9.1
Filipino	6.8
Hispanic or Latino	51.5
Native Hawaiian or Pacific Islander	3.4
White	17.9
Two or More Races	6.5
Socioeconomically Disadvantaged	66.5
English Learners	9.7
Students with Disabilities	8.5
Foster Youth	0.2

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Marina High School	15-16	16-17	17-18
With Full Credential	27	26	25
Without Full Credential	1	0	1
Teaching Outside Subject Area of Competence	0	0	0
Monterey Peninsula Unified School District	15-16	16-17	17-18
With Full Credential	◆	◆	508
Without Full Credential	◆	◆	26
Teaching Outside Subject Area of Competence	◆	◆	0

Teacher Misassignments and Vacant Teacher Positions at this School			
Marina High School	15-16	16-17	17-18
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	2	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Monterey Peninsula Unified School District held a public hearing on August 2017, and determined that the school had sufficient and good quality textbooks and instructional materials, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in August 2017 about the quality, currency, and availability of the California Common Core standards-aligned textbooks and other instructional materials used at the school.

Textbooks and Instructional Materials	
Year and month in which data were collected: August 2017

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements (Most Recent Year)

The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or resulting from minor wear and tear, and/or in the process of being mitigated. Over the last several years, MPUSD has invested resources into improving our school campuses. Many schools have received new flooring, paint and window coverings. The district continues to invest in its schools through the allocation of Measure P school facilities funding. Many projects are slated to be completed in 2017. Visit www.mpusd.net for details.

More facts about the condition of our school buildings are available in an online supplement to this report called for by the Williams legislation of 2004. What you will find is an assessment of more than a dozen aspects of our buildings: their structural integrity, electrical systems, heating and ventilation systems, and more. The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC.

School Facility Good Repair Status (Most Recent Year)				
Year and month in which data were collected: June 2017				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			
Interior: Interior Surfaces	X			Carpet/linoleum seam by sink loose = trip hazard; paint chipping in some classrooms; water cover is missing on walkway = trip hazard
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	X			
Electrical: Electrical	X			
Restrooms/Fountains: Restrooms, Sinks/ Fountains	X			Water damage at base of wall; door hinge swing arm broken in one stall; door frame is rusted and paint is chipping
Safety: Fire Safety, Hazardous Materials	X			
Structural: Structural Damage, Roofs	X			
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			
Overall Rating	Exemplary	Good	Fair	Poor
		X		

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	55	49	40	38	48	48
Math	23	24	27	27	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	147	139	94.6	33.8
Male	79	75	94.9	44.0
Female	68	64	94.1	21.9
Asian	18	18	100.0	38.9
Hispanic or Latino	68	65	95.6	24.6
White	24	22	91.7	45.5
Socioeconomically Disadvantaged	98	93	94.9	25.8
Students with Disabilities	11	9	81.8	22.2

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
Science	37	34	45	43	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	20.5	17.4	15.9

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	124	121	97.58	48.76
Male	76	74	97.37	47.3
Female	48	47	97.92	51.06
Black or African American	--	--	--	--
Asian	20	19	95	47.37
Filipino	--	--	--	--
Hispanic or Latino	53	52	98.11	46.15
Native Hawaiian or Pacific Islander	--	--	--	--
White	24	23	95.83	43.48
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	82	81	98.78	43.21
English Learners	16	15	93.75	6.67
Students with Disabilities	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2016-17 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	124	121	97.58	23.97
Male	76	74	97.37	28.38
Female	48	47	97.92	17.02
Black or African American	--	--	--	--
Asian	20	19	95	36.84
Filipino	--	--	--	--
Hispanic or Latino	53	52	98.11	17.31
Native Hawaiian or Pacific Islander	--	--	--	--
White	24	23	95.83	13.04
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	82	81	98.78	20.99
English Learners	16	15	93.75	6.67
Students with Disabilities	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

The parents and community are an integral part of Marina High School. There has been consistent support from the PTSA, the Booster Club, community groups, and the City of Marina. From fundraising to campus beautification, many take part in the ongoing building and development of Marina High School. The parents' group continues to support all of the activities of the school year from opening day to end-of-the-year celebrations.

Parents are encouraged to join the School Site Council/English Language Advisory Committee, Booster Club, and PTSA. For more information on how to become involved at Marina High, please contact Monica Aldaco at (831) 583-2060.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The safety and well being of students and staff are high priorities for the Monterey Peninsula Unified School District and this school. Under Senate Bill 187, every school in the district is required to complete (or review and update) a School Safety Plan by March 1 of each year. The plan is reviewed and evaluated by the School Safety Planning Committee, the School Site Council, and the school principal before being presented to the Board of Education for final review and adoption. The approved plans are posted on each school's website, as well as the district website at www.mpusd.net.

Highlight's of this school's plan are detailed below.

Two campus liaisons, two campus monitors, and three administrators are on campus a minimum of 30 minutes before and after school. Access points are monitored before and after school. All visitors must sign in at the office. The area is patrolled regularly by the Marina Police Department and the local authorities are very responsive when contacted.

We revise our School Safety Plan annually or as needed. The crisis management plan includes procedures for emergencies, exit routes, staff emergency assignments, site maps, shut-off valve locations, student information, and emergency supplies. It is located in the main office. The plan is shared with the school staff; each member has a special condensed operations folder with updated student class lists to refer to. Earthquake and fire drills are performed each semester. Most of the staff has been trained in CPR and we have a defibrillator onsite, which staff has also been trained to use.

The School Safety Plan also includes a discipline plan with procedures. As part of the plan, organizations exist on campus to aid in the creation of a positive school climate and culture. Some of these groups include Link Crew, Leadership, National Coalition Building Institute (NCBI), My Strength, and My Life. These groups empower students to become a vital part of the building and maintenance of a positive school environment.

This is our seventh year implementing the Positive Behavior Intervention Support (PBIS) program. This program encourages students to make positive choices and to change the culture on campus in a positive manner. We employ a discipline tracking system to monitor successes and gauge needed modifications. Data shows that student discipline declines throughout the year.

Suspensions and Expulsions			
School	2014-15	2015-16	2016-17
Suspensions Rate	11.9	9.2	7.0
Expulsions Rate	0.0	0.0	0.0
District	2014-15	2015-16	2016-17
Suspensions Rate	4.6	4.5	3.6
Expulsions Rate	0.0	0.0	0.0
State	2014-15	2015-16	2016-17
Suspensions Rate	3.8	3.7	3.6
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2017-18 Federal Intervention Program		
Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2004-2005
Year in Program Improvement		Year 3
Number of Schools Currently in Program Improvement		8
Percent of Schools Currently in Program Improvement		100

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	1.5
Counselor (Social/Behavioral or Career Development)	0.5
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	1.0
Psychologist	1.5
Social Worker	
Nurse	0.2
Speech/Language/Hearing Specialist	
Resource Specialist	3.0
Other	
Average Number of Students per Staff Member	
Academic Counselor	384

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
English	24	23	26	9	10	7	8	9	15	7	7	2
Mathematics	25	30	27	4	2	5	10	9	9	3	7	5
Science	28	31	28	4	1	2	4	5	11	7	9	4
Social Science	28	30	31	3	2	3	11	7	5	3	9	10

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

The major areas of professional development for teachers in 2017-18 included the following:

- Writing effective learning goals and objectives
- Lesson design including Gradual Release of Responsibility
- Instructional Leadership Team
- Positive Behavior Intervention Support
- Learning Walks to promote positive school culture and climate

The major areas of professional development for teachers in 2017-18 included the following:

- Differentiated grading practices
- AVID Strategies: Writing, Inquiry, Collaboration, Organization, Reading
- English Language Development Strategies: Sentence frames, productive partnering, and academic language
- Positive Behavior Intervention Support
- Learning Walks to promote positive school culture and climate
- Interdisciplinary Project Based Learning

The major areas of professional development for teachers in 2017-18 included the following:

- Interdisciplinary Project Based Learning
- Work based learning
- Positive Behavior Intervention Support
- Learning Walks to promote positive school culture and climate

Professional development was delivered through all staff sessions during monthly staff meetings and weekly early release days.

Teachers were supported during implementation by the site's Academic Coach.

FY 2015-16 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$43,149	\$46,511
Mid-Range Teacher Salary	\$63,205	\$73,293
Highest Teacher Salary	\$93,615	\$92,082
Average Principal Salary (ES)	\$100,554	\$113,263
Average Principal Salary (MS)	\$104,985	\$120,172
Average Principal Salary (HS)	\$114,261	\$131,203
Superintendent Salary	\$199,500	\$213,732
Percent of District Budget		
Teacher Salaries	32%	36%
Administrative Salaries	6%	5%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded

A majority of funding reported as districtwide costs is expended for school level expenditures, therefore the results appear to be lower operating costs at the school site level.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)			
Marina High School	2013-14	2014-15	2015-16
Dropout Rate	7.2	3.9	2.5
Graduation Rate	87.5	90.7	96.64
Monterey Peninsula Unified School	2013-14	2014-15	2015-16
Dropout Rate	8.2	3.8	3.9
Graduation Rate	88.72	92.84	93.77
California	2013-14	2014-15	2015-16
Dropout Rate	11.5	10.7	9.7
Graduation Rate	80.95	82.27	83.77

Career Technical Education Participation	
Measure	CTE Program Participation
Number of pupils participating in CTE	244
% of pupils completing a CTE program and earning a high school diploma	0%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	17%

Courses for University of California (UC) and/or California State University (CSU) Admission	
UC/CSU Course Measure	Percent
2016-17 Students Enrolled in Courses Required for UC/CSU Admission	95.04
2015-16 Graduates Who Completed All Courses Required for UC/CSU Admission	45.13

* Where there are student course enrollments.

FY 2015-16 Expenditures Per Pupil and School Site Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	\$5,011	\$131	\$4,880	\$53,759
District	♦	♦	\$7,996	\$65,212
State	♦	♦	\$6,574	\$74,476

English Learners	80	57.32	55.44
Students with Disabilities	100	70.89	63.9
Foster Youth	0	66.67	68.19

Career Technical Education Programs

In the 2016-17 school year, Marina High School offered two CTE pathways: Culinary and Digital Media Arts. Classes in both programs followed the CTE state standards that included guest speakers, field study, and development of a professional portfolio. The courses in the Culinary pathway included Introduction to Hospitality, Culinary, and Advanced Culinary. The courses in the Digital Media Arts pathway included Art in the Digital Age, Digital Photography, and Computer Graphic Design. Students in the Digital Media Arts pathway consistently used the course as a way to complete projects that were assigned in other classes. Courses in the two pathways are open to all students including English Learners and students with special needs.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
