I am enrolling my child in a program of physical activity consisting of dance, gymnastics and locomotor skills. I understand Stardreams shall not be held responsible for any injury that may result from my child's participation in this program. I hereby affirm that my child is in good physical condition and may proceed with these activities. I will be billed in advance, once a month and will notify Stardreams in the event that my child's classes will be discontinued. The registration fee is nonrefundable but will be applied to the first four classes my child receives. Absences on the part of my child will not be refunded. Holidays that fall on class days will not be prorated or made up, however, students will receive 5 classes in some months at no extra charge. I have read and fully understand the above.

STARDREAMS SCHOOL OF DANCE & GYMNASTICS

STARDREAMS

Hello, we are STARDREAMS.

We offer a mobile dance & gymnastics program at your child's school. For a nominal fee, your child can participate in 45 minutes of dance & gymnastic instruction from STARDREAMS at their school, once a week. Both STARDREAMS' courses teach your child the importance of fitness. They learn body awareness, while developing strength, balance, timing, coordination, agility, control and the language of movement.

Our programs offer a head start in your child's future. The child learns by seeing, doing, and experimenting. With these abilities your child will be able to advance into any field; be it business, sports, politics, or the arts. STARDREAMS promotes self-confidence and discipline. We also encourage participation and interaction among the students, thus developing good social skills that carry over to all aspects of the arts, as well as other fields. STARDREAMS lays a foundation of mental and physical strength that will someday touch the sky.

Children enjoy athletic movement. They are at an age where their minds are open and ready to learn. The early years of a child's development are the most important. They learn quickly and develop skills easily. They are unaware of limitations and the fear of failure. They are ripe for learning. In the classroom with their peers, they experience total freedom of movement. It's a chance for them to burn off excess energy. STARDREAMS creates an atmosphere of learning while having fun through it's classes, newsletters, activities and performances.

STARDREAMS was formed in Los Angeles in 1987 under the direction of Carol Symington. She has been working with children since 1975. She earned a teaching credential and Bachelor of Science degree from North Texas State University. She also received a Masters of Fine Arts in Dance Education and Choreography from UCLA.

For a nominal fee, your child can participate in 45 minutes of dance or gym instruction from STARDREAMS at their school, once a week. There is no specific dress code, however, we find that girls and boys prefer active play wear (T-shirts and shorts). You will receive a periodic newsletter, as well as updates on your child's progress. If you are interested in enrolling your child, please fill out the registration on the last page of this form and return it to the school office with a registration check for the first month's fee. Your child may join, once the enrollment has been received by the school.

STARDREAMS DANCE

includes a 30 minute class of warm-up, ballet, song & dance routines, and performance. The focus is on fun, the goal is our annual full staged costumed production!

STARDREAMS GYMNASTICS

offers your child a 30 minute class including tumbling, ladders, balance beam, parachutes, cylinders, and other gymnastic training. The goal is the Stardreams Gymnastic Medal & Certificate of Achievement.

PAYMENT

All checks should be made payable to STARDREAMS.
Drop the payment off at the school or mail it directly to our office.
