WATTS LEARNING CENTER

INTRODUCTION TO HANDBOOK

This Handbook is designed to help employees get acquainted with Watts Learning Center Charter School (hereinafter referred to as “WLC” or the “School”). It explains some of our philosophies and beliefs, and describes some of our employment guidelines in general terms. Although this Handbook is not intended to be an exclusive or comprehensive policies and procedures manual, we hope that it will serve as a useful reference document for employees throughout their employment at the School. Employees should understand, however, that this Handbook is not intended to be a contract (express or implied), nor is it intended to otherwise create any legally enforceable obligations on the part of the School or its employees. In no way does the Handbook replace any official plan documents (e.g., health insurance, retirement plan, etc.) or insurance contracts, which will govern in all cases. This Handbook supersedes and replaces all previous personnel policies, practices, and guidelines.

Due to the fact that the School is a growing and changing organization, it reserves full discretion to add to, modify, or delete provisions of this Handbook, or the policies and procedures on which they may be based, at any time without advance notice. WLC also reserves the right to interpret any of the provisions set forth in this Handbook in any manner it deems appropriate.

No individual other than the Board of Directors has the authority to enter into any employment or other agreement that modifies School policy. Any such modification *must* be in writing.

This Handbook is the property of the School, and it is intended for personal use and reference by employees of the School. Circulation of this Handbook outside of the School requires the prior written approval of the Executive Director.

Employees must sign the acknowledgment form at the beginning of this Handbook, tear it out, and return it to the Director. This will provide the School with a record that each employee has received this Handbook.

WATTS LEARNING CENTER

Brief History

WLC was established in 1997 in Watts, California. In its first month as a charter school with its plan to begin its culture of learning by serving kindergarten students in its first year, it moved to three different locations. The first site was at a church, the second was at the Hacienda Village Head Start site where there were three students and the third site was Saint Michaels High School for Girls where it remained for three years. It grew from 60 kindergarten students during the first year to a total of 160 kindergarten, first and second grade students in three years.

It moved to its present site in 2000 where it leased classrooms from Olivet Baptist Church. Adding a grade level each year, it eventually served students from kindergarten to the fifth grade. In 2006 Olivet Baptist Church made it known that it supported the efforts of the Watts Learning Center to provide a quality education for children in South Los Angeles and sold the property to the Watts Learning Center Foundation. The school that had “started from scratch” established its permanent home at its present site on Broadway. Located in a low socioeconomic area of South Los Angeles and entering its 19th year of operations it serves over 350 kindergarten through fifth grade students. The success of the WLC spurred a tremendous outpour from parents and community members to provide an extension of the success that was being enjoyed at the K-5 level into middle school. This call for an academically enriching middle school is warranted given the dismal options that parents and students have with two of the neighboring schools to the WLC elementary school being among the poorest performing schools in the city and the state. The Fishers and the board of directors, seeing the need in the community responded to the call by pushing forward to opening the doors to the WLC Middle School (grades 6-8) in the fall of 2009. Now entering its 7th year of operation guided by the same vision and core values, our Middle School serves over 350 students and is located at 8800 S San Pedro St Los Angeles, CA 90003.

WLC was founded on the belief that all children can learn if provided the right resources and opportunities and a nurturing environment that encourages the full development of its students. It has demonstrated success in pursuit of its vision for academic excellence. To that end WLC provides a world-class education that inspires hope and allows inner-city students to realize their full potential. Expecting academic excellence is the norm for those affiliated with the School. Since WLC's students were first tested on the California Standards Test in 2000, WLC's Academic Performance Index has steadily risen from 577 in 2000 to 819 in 2007, each year exceeding growth targets set forth as reasonable further progress indicators. This record of academic success and superior school performance overall earned WLC the Title I Academic Achievement Award in 2004, 2005 and 2007 and the California Distinguished School Award in 2004. On average WLC students outperform the Los Angeles Unified School District in all subject areas tested on the California Standards Tests and are far ahead of other schools in South Los Angeles.

As discussed in WLC's original charter in 1997 and again in the 2002 charter renewal petition, most of its new students continue to enter WLC in kindergarten. WLC recruits directly from Head Start and other pre-school programs for children from low-income families. WLC's educational program is designed specifically to meet the needs of these students and their

families and has flexibility to adapt to and meet new challenges.

CONDITIONS OF EMPLOYMENT

Equal Employment Opportunity Is Our Policy

WLC is an equal opportunity employer. It is the policy of the School to afford equal employment and advancement opportunity to all qualified individuals without regard to race, color, creed, gender (including gender identity and gender expression), religion, marital status, registered domestic partner status, age, national origin or ancestry, physical or mental disability, medical condition (including cancer and genetic characteristics), genetic information, sexual orientation, military and veteran status, or any other consideration made unlawful by federal, state, or local laws. This policy extends to all employees and to all aspects of the employment relationship, including the hiring of new employees and the training, transfer, promotion, compensation and benefits of existing employees.

To comply with applicable laws ensuring equal employment opportunities to qualified individuals with a disability, the School will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee unless undue hardship would result.

Any applicant or employee who requires an accommodation in order to perform the essential functions of the job should contact a School representative with day-to-day personnel responsibilities and request such an accommodation. The individual with the disability should specify what accommodation he or she needs to perform the job. WLC then will conduct an investigation to identify the barriers that interfere with the equal opportunity of the applicant or employee to perform his or her job. WLC will identify possible accommodations, if any, that will help eliminate the limitation. If the accommodation is reasonable and will not impose an undue hardship, the School will make the accommodation.

Employment At-Will

Except if stated expressly otherwise by employment contract, it is the policy of the School that all employees are considered “at-will” employees of the School. Accordingly, either the School or the employee can terminate this relationship at any time, for any reason, with or without cause, and with or without advance notice.

Nothing contained in this Handbook, employment applications, School memoranda or other materials provided to employees in connection with their employment shall require the School to have “cause” to terminate an employee or otherwise restrict the School’s right to release an employee from their at-will employment with the School. Statements of specific grounds for termination set forth in this Handbook or elsewhere are not all-inclusive and are not intended to restrict the School’s right to terminate at-will. No School representative, other than the Board of Directors or its designee, is authorized to modify this policy for any employee or to make any representations to employees or applicants concerning the terms or conditions of employment with the School that are not consistent with the School’s policy regarding “at will” employment.

WATTS LEARNING CENTER

This policy shall not be modified by any statements contained in this Handbook or employee applications, School memoranda, or any other materials provided to employees in connection with their employment. Further, none of those documents whether singly or combined, or any employment practices, shall create an express or implied contract of employment for a definite period, nor an express or implied contract concerning any terms or conditions of employment.

Child Abuse and Neglect Reporting

California Penal Code section 11166 requires any child care custodian who has knowledge of, or observes, a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse to report the known or suspected instance of child abuse to a child protective agency immediately, or as soon as practically possible, by telephone and to prepare and send a written report thereof within thirty-six (36) hours of receiving the information concerning the incident.

WLC will provide annual training on the mandated reporting requirements, using the online training module provided by the State Department of Social Services, to employees who are mandated reporters. Mandated reporter training will also be provided to employees hired during the course of the school year. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars (\$1,000), or by both that imprisonment and fine.

All employees required to receive mandated reporter training must provide proof of completing the training within the first six (6) weeks of each school year or within the first six (6) weeks of that employee's employment.

By acknowledging receipt of this Handbook, employees acknowledge they are child care custodians and are certifying that they have knowledge of California Penal Code section 11166 and will comply with its provisions. Employees must notify the Executive Director immediately of any suspected abuse.

Criminal Background Checks

As required by law, all individuals working or volunteering at the School will be required to submit to a criminal background investigation. No condition or activity will be permitted that may compromise the School's commitment that the safety and the well-being of students takes precedence over all other considerations. Conditions that preclude working at the School include conviction of a controlled substance or sex offense, or a serious or violent felony. Additionally, should an employee, during his/her employment with the School, be convicted of a controlled substance or sex offense, or serious or violent felony, the employee must immediately report such a conviction to the Executive Director.

WATTS LEARNING CENTER

Tuberculosis Testing

All employees of the School must submit written proof from a physician of a risk assessment examination for tuberculosis (“TB”) within the last sixty (60) days. If TB risk factors are identified, a physician must conduct an examination to determine whether the employee is free of infectious TB. The examination for TB consists of an approved TB test, which, if positive, will be followed by an x-ray of the lungs, or in the absence of skin testing, an x-ray of the lungs. All employees will be required to undergo TB risk assessments and, if risk factors are found, the examination at least once every four (4) years. Volunteers may be required to undergo a TB examination as necessary. The TB risk assessment and, if indicated, the examination is a condition of initial employment with the School and the cost of the exam will be borne by the applicant.

Food handlers will be required to have annual TB exams. Documentation of employee and volunteer compliance with TB risk assessments and examinations will be kept on file in the office. This requirement also includes contract food handlers, substitute teachers, and student teachers serving under the supervision of an educator. Any entity providing student services to the School will be contractually required to ensure that all contract workers have had TB testing that shows them to be free of active TB prior to conducting work with School students.

Immigration Compliance

WLC will comply with applicable immigration law, including the Immigration Reform and Control Act of 1986 and the Immigration Act of 1990. As a condition of employment, every individual must provide satisfactory evidence of his or her identity and legal authority to work in the United States.

The School shall not discharge an employee or in any manner discriminate, retaliate, or take any adverse action (*e.g.*, threatening to report the suspected citizenship or immigration status of an employee or a member of the employee’s family) against any employee or applicant for employment because the employee or applicant exercised a right protected under applicable law. Further, the School shall not discriminate against any individual because he or she holds or presents a driver’s license issued under section 12801.9 of the Vehicle Code.

If you have any questions or need more information on immigration compliance issues, please contact the Executive Director.

Staff/Student Interaction Policy

WLC recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

WATTS LEARNING CENTER

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

- A. Examples of PERMITTED actions (NOT corporal punishment)
 - 1. Stopping a student from fighting with another student;
 - 2. Preventing a pupil from committing an act of vandalism;
 - 3. Defending yourself from physical injury or assault by a student;
 - 4. Forcing a pupil to give up a weapon or dangerous object;
 - 5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
 - 6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

- B. Examples of PROHIBITED actions (corporal punishment)
 - 1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
 - 2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
 - 3. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable,

WATTS LEARNING CENTER

is to ask yourself, “Would I be engaged in this conduct if my family or colleagues were standing next to me?”

For the purposes of this policy, the term “boundaries” is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member’s perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee becomes aware of another staff member having crossed the boundaries specified in this policy, he or she must speak to this staff member if the violation appears minor, or report the matter to school administrators. If the observed behavior appears significant, it is the duty of every staff member to immediately report it to an administrator. All reports shall be confidential. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Unacceptable Staff/Student Behaviors (Violations of this Policy)

- (a) Giving gifts to an individual student that are of a personal and intimate nature.
- (b) Kissing of any kind.
- (c) Any type of unnecessary physical contact with a student in a private situation.

- (h) Listening to or telling stories that are sexually oriented.
- (i) Discussing inappropriate personal troubles or intimate issues with a student in an attempt to gain their support and understanding.
- (j) Becoming involved with a student so that a reasonable person may suspect inappropriate behavior.

WATTS LEARNING CENTER

- (k) Using personal social media or other electronic devices to communicate with students during or after school hours.

Unacceptable Staff/Student Behaviors without Parent and Supervisor Permission

- (a) Giving students a ride to/from school or school activities.
- (b) Being alone in a room with a student at school with the door closed.
- (c) Allowing students in your home.

Cautionary Staff/Student Behaviors

~~(These behaviors should only be exercised when a reasonable and prudent person, acting as an educator, is prevented from using a better practice or behavior. Staff members should inform their supervisor of the circumstance and occurrence prior to or immediately after the occurrence)~~

- ~~(a) Remarks about the physical attributes or development of anyone.~~
- ~~(b) Excessive attention toward a particular student.~~

- (f) Stopping and correcting students if they cross your own personal boundaries.
- (g) Keeping parents informed when a significant issue develops about a student.

- (i) Asking for advice from fellow staff or administrators if you find yourself in a difficult situation related to boundaries.
- (j) Involving your supervisor if conflict arises with the student.
- (k) Informing the Director about situations that have the potential to become more severe.

WATTS LEARNING CENTER

Policy Prohibiting Unlawful Harassment

WLC is committed to providing a work and educational atmosphere that is free of unlawful harassment. WLC's policy prohibits unlawful harassment based upon race, color, creed, gender (including gender identity and gender expression), religion, marital status, registered domestic partner status, age, national origin or ancestry, physical or mental disability, medical condition (including cancer and genetic characteristics), genetic information, sexual orientation, military or veteran status, or any other consideration made unlawful by federal, state, or local laws. Coworkers and third parties, as well as supervisors and managers, are legally prohibited from engaging in unlawful harassment. WLC will not condone or tolerate harassment of any type by any employee, independent contractor or other person with which the School does business. This policy applies to all employee actions and relationships, regardless of position or gender. WLC will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted.

When WLC receives allegations of misconduct, it will conduct a fair, timely and thorough investigation that provides all parties an appropriate process and reaches reasonable conclusions based on the evidence collected. The Board (if a complaint is about the Executive Director) or the Executive Director or designee will investigate complaints appropriately under the circumstances and pursuant to the applicable procedures, and if necessary, take appropriate remedial measures to ensure effective resolution of any complaint.

Prohibited Unlawful Harassment

- Verbal conduct such as epithets, derogatory jokes or comments or slurs;
- Physical conduct including assault, unwanted touching, intentionally blocking normal movement, or interfering with work because of sex, race or any other protected basis;
- Retaliation for reporting or threatening to report harassment; or
- Disparate treatment based on any of the protected classes above.

WATTS LEARNING CENTER

Prohibited Unlawful Sexual Harassment

WLC is committed to providing a workplace and school environment focused on learning. The WLC will maintain a school learning environment and workplace free of sexual harassment and considers such harassment to be a major offense, which may result in disciplinary action, up to, and including dismissal, of the offending employee.

Sexual harassment consists of sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire, when: (1) submission to the conduct is either made explicitly or implicitly a term or condition of an individual's employment; (2) an employment decision is based upon an individual's acceptance or rejection of that conduct; (3) that conduct interferes with an individual's work performance or creates an intimidating, hostile or offensive working environment.

It is also unlawful to retaliate in any way against an employee who has articulated a good faith concern about sexual harassment against him or her or against another individual.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. Such training will include information about the negative effects that abusive conduct has on both the victim of the conduct and others in the workplace, as well as methods to prevent abusive conduct undertaken with malice a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests. Abusive conduct includes but is not limited to repeated infliction of verbal abuse, such as the use of derogatory remarks, insults, and epithets, verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating, or the gratuitous sabotage or undermining of a person's work performance. Supervisors shall also be trained on how to appropriately respond when the supervisor becomes aware that an employee is the target of unlawful harassment. Other staff will receive sexual harassment training and/or instruction concerning sexual harassment in the workplace as required by law.

Each employee has the responsibility to maintain a workplace free from any form of sexual harassment. Consequently, should any individual, in particular those with supervisory responsibilities, become aware of any conduct that may constitute sexual harassment or other prohibited behavior, immediate action should be taken to address such conduct. Any employee who believes they have been sexually harassed or has witnessed sexual harassment is encouraged to immediately report such harassment to the Director or Executive Director. See Appendix A for the "Harassment Complaint Form." See Appendix B for the general "Complaint Form."

Sexual harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
 - Rape, sexual battery, molestation or attempts to commit these assaults and

WATTS LEARNING CENTER

- Intentional physical conduct that is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another's body, or poking another's body.
- Unwanted sexual advances, propositions or other sexual comments, such as:
 - Sexually oriented gestures, notices, remarks, jokes, or comments about a person's sexuality or sexual experience.
 - Preferential treatment or promises of preferential treatment to an employee for submitting to sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward or disparate treatment for rejecting sexual conduct.
 - Subjecting or threats of subjecting an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee's job more difficult because of the employee's sex.
- Sexual or discriminatory displays or publications anywhere at the workplace by employees, such as:
 - Displaying pictures, cartoons, posters, calendars, graffiti, objections, promotional materials, reading materials, or other materials that are sexually suggestive, sexually demeaning or pornographic or bringing to work or possessing any such material to read, display or view at work.
 - Reading publicly or otherwise publicizing in the work environment materials that are in any way sexually revealing, sexually suggestive, sexually demeaning or pornographic; and
 - Displaying signs or other materials purporting to segregate an employee by sex in an area of the workplace (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this policy. Moreover, please note that while in most situations a personal relationship is a private matter, these relationships are not appropriate in a professional setting, particularly where one of the parties has management or supervisory responsibilities. As such, consensual relationships in the workplace may violate WLC policy.

Complainants and witnesses under these policies will be protected from further harassment and will not be retaliated against in any aspect of their employment due to their participation in an investigation, filing of a complaint, or reporting harassment.

WLC will investigate complaints promptly and provide a written report of the investigation and decision as soon as practicable. The investigation will be handled in as confidential a manner as

WATTS LEARNING CENTER

possible consistent with a full, fair, and proper investigation. WLC is committed to remediating any instances where investigation findings demonstrate unlawful harassment has occurred.

Whistleblower Policy

WLC requires its directors, officers, employees, and volunteers to observe high standards of ethics in the conduct of their duties and responsibilities within the School. As representatives of the School, such individuals must practice honesty and integrity in fulfilling all responsibilities and must comply with all applicable laws and regulations. The purpose of this policy is to create an ethical and open work environment, to ensure that the School has a governance and accountability structure that supports its mission, and to encourage and enable directors, officers, employees, and volunteers of the School to raise serious concerns about the occurrence of illegal or unethical actions within the School before turning to outside parties for resolution.

All directors, officers, employees, and volunteers of the School have a responsibility to report any action or suspected action taken within the School that is illegal, unethical or violates any adopted policy of the School, or local rule or regulation. Anyone reporting a violation must act in good faith, without malice to the School or any individual at the School and have reasonable grounds for believing that the information shared in the report indicates that a violation has occurred. A person who makes a report does not have to prove that a violation has occurred. However, any report which the reporter has made maliciously or any report which the reporter has good reason to believe is false will be viewed as a serious disciplinary offense. No one who in good faith reports a violation, or who, in good faith, cooperates in the investigation of a violation shall suffer harassment, retaliation, or adverse employment action. Further, no one who in good faith discloses, who may disclose, or who the School believes disclosed or may disclose, information regarding alleged violations to a person with authority over the employee or another employee who had responsibility for investigating, discovering or correcting the purported violation shall suffer harassment, retaliation, or adverse employment action.

Drug-Free Workplace

WLC is committed to providing a drug and alcohol free workplace and to promoting safety in the workplace, employee health and well-being, customer confidence and a work environment that is conducive to attaining high work standards. The use of drugs and alcohol by employees, whether on or off the job, jeopardizes these goals, since it adversely affects health and safety, security, productivity, and public confidence and trust. Drug or alcohol use in the workplace or during the performance of job duties is extremely harmful to workers and to other WLC stakeholders.

The bringing to the work place, possession or use of intoxicating beverages or drugs on any School premises or during the performance of work duties is prohibited and will result in disciplinary action up to and including termination.

Confidential Information

Confidential information includes all information, data or knowledge regarding the School's students, operations, employees, contractors or vendors that is not known generally to the public,

WATTS LEARNING CENTER

including but not limited to existing or proposed programs, student records, employee information or benefits information. All information relating to students, personal information, schools attended, addresses, contact numbers and progress information is confidential in nature, and may not be shared with or distributed to unauthorized parties. All records concerning special education pupils shall be kept strictly confidential and maintained in separate files. Failure to maintain confidentiality may result in disciplinary action, up to and including release from at-will employment.

Information in a student's cumulative folder(s) and records is available to the child's parents/guardians, teacher and administrators only. These folders are not to be removed from the office. Conversations about student behavior or academic work will be shared only with that student's parents/guardians or with the Executive Director or another employee who is working with that student.

Upon separation from employment with WLC, the employee shall deliver promptly and return to WLC all confidential materials, along with all other property of WLC in the employee's possession, custody or control. No employee may take any confidential information that is in written form, computerized, machine readable, model, sample or other form capable of physical delivery upon or after termination of employee's employment with WLC.

Conflict of Interest

All employees must avoid situations involving actual or potential conflict of interest. An employee involved in any relationships or situations which may constitute a conflict of interest should immediately and fully disclose the relevant circumstances to the Director, Executive Director, or the Board of Directors, for a determination about whether a potential or actual conflict exists. If an actual or potential conflict is determined, the School may take whatever corrective action appears appropriate according to the circumstances. Failure to disclose facts shall constitute grounds for disciplinary action.

Smoking

WLC facility is a no smoking facility.

WATTS LEARNING CENTER

THE WORKPLACE

Work Schedule

Business hours are normally 7:00 a.m. – 6:00 p.m., Monday through Friday. The regular workday schedule for non-exempt employees is eight (8) hours; the regular workweek schedule is forty (40) hours. Hours of exempt employees are also generally expected to be present during business hours and to commit whatever additional time is necessary to satisfactorily complete all job requirements.

Being on time for work is a professional responsibility for all employees. Employees are expected to notify the School office if they are going to be late.

All teachers are responsible to attend regular meetings, usually held on Wednesday afternoons each week. The purpose of these meetings is communication, curriculum discussion, in-service training, professional development and sharing information.

Notification and Administrative Coverage

To the extent possible, our schools need proper administrative coverage at all times to ensure the safety of students. Accordingly, the Director must communicate with the Executive Director as soon as possible situations in which he/she needs to leave the campus for any extended period of time during the school day. Timely communication by the School Director is essential to arrange for proper administrative coverage of the school at all times.

Conferences and off-Site Professional Development

Employees may apply for authorization to attend any type of professional or educational activity that will involve professional growth or help fill a need of the school. Travel and expenses will be reimbursed according to budgetary considerations. Requests to attend off-campus professional development or conferences must be approved in advance by both the School Director and Executive Director. For travel reimbursement, please refer to the fiscal policy. Employees who attend professional growth opportunities are expected to share their training and materials with other staff.

Meal and Rest Periods

Part-time, non-exempt employees working at least five (5) hours are provided with a thirty (30) minute meal period, to be taken approximately in the middle of the workday. Each full-time employee is entitled to an unpaid meal period of thirty (30) minutes.

Non-exempt employees are also provided with a ten (10) minute rest period for every four (4) hours worked which should be scheduled towards the middle of the four (4) hour work period as

WATTS LEARNING CENTER

practicable. An employee's supervisor must be aware of and approve scheduled meal and rest periods.

Employees are expected to observe assigned working hours and the time allowed for meal and rest periods. Employees may not leave the premises during rest periods but may leave the premises during the meal period. Office employees take their breaks on a rotating basis to assure that telephones and reception areas are always covered during the normal business day.

Attendance and Tardiness

All employees, whether exempt or non-exempt, are expected to arrive at work consistently and on time. Absenteeism and tardiness negatively affects the School's ability to implement its educational program and disrupts consistency in students' learning.

If it is necessary to be absent or late, employees are expected to telephone their immediate supervisor as soon as possible but no later than one-half hour before the start of the workday. If an employee is absent from work, he or she is expected to keep their immediate supervisor sufficiently informed of the situation.

As noted in the section of this Handbook concerning prohibited conduct, excessive or unexcused absences or tardiness may result in disciplinary action up to and including release from at-will employment with the School. Absence for more than three (3) consecutive days without notifying the immediate supervisor, the School Director or the Executive Director, will be considered a voluntary resignation from employment.

Time Cards/Records

By law, WLC is obligated to keep accurate records of the time worked by non-exempt employees. Such employees shall be required to utilize the School's time card system.

Non-exempt employees must accurately clock in and out of their shifts as this is the only way the payroll department knows how many hours each employee has worked and how much each employee is owed. The time card indicates when the employee arrived and when the employee departed. All non-exempt employees must clock in and out for arrival and departure, along with lunch and for absences like doctor or dentist appointments. All employees are required to keep the office advised of their departures from and returns to the school premises during the workday.

Non-exempt employees are solely responsible for ensuring accurate information on their time cards and remembering to record time worked. If an employee forgets to mark their time card or makes an error on the time card, the employee must contact the School Director or Executive Director to make the correction and such correction must be initialed by both the employee and employee's supervisor.

WATTS LEARNING CENTER

No one may record hours worked on another's worksheet. Any employee who tampers with his/her own time card, or another employee's time card, may be subjected to disciplinary action, up to and including release from at-will employment with the School.

Sign-In/Out Procedure

All campus visitors must check in with the security officer and/or the office staff. Even familiar parents/guardians who are volunteering in classrooms must sign-in. (Please refer to WLC Visitor and Safety Board Policy, March 2017.)

Teachers are to sign-in when they arrive and sign-out when they leave. Teachers are to arrive no later than fifteen (15) minutes prior to the beginning of class and remain no less than fifteen (15) minutes at the end of class. Teachers are to inform the Front Office Staff when they leave for lunch.

Use of E-Mail, Voicemail and Internet Access

WLC will permit employees to use its electronic mail, voicemail systems and Internet access subject to the following:

1. Minimal personal use as long as it does not interfere with timely job performance and is consistent with law and appropriate protocols. Use of cell phones during any time period when the primary responsibility is the safety, supervision and facilitation of learning among children is strictly prohibited. Employees may use cell phones during lunch and other breaks or for emergency purposes.
2. The E-mail system and Internet access is not to be used in any way that may be disruptive, offensive to others, or harmful to morale. For example, sexually explicit images, ethnic slurs, racial epithets, or anything else that may be construed as harassment or disparagement of others based on their race, national origin, sex, sexual orientation, age, religious beliefs or political beliefs may not be displayed or transmitted.
3. Employees should not attempt to gain access to another employee's personal file or E-mail or voicemail messages without the latter's express permission.
4. School staff will not enter an employee's personal E-mail files or voicemail unless there is a business need to do so. WLC retains a copy of all passwords; passwords unknown to the School may not be used. System security features, including passwords and delete functions, do not neutralize the School's ability to access any message at any time. Employees must be aware that the possibility of such access always exists.

Personal Business

WLC's facilities for handling mail and telephone calls are designed to accommodate School

WATTS LEARNING CENTER

business. Employees should have personal mail directed to their home address and limit personal telephone calls to an absolute minimum. Personal calls should not be made outside the immediate dialing area. Do not use School material, time or equipment for personal projects.

Social Media

If an employee decides to post information on the Internet (i.e., personal blog, Facebook, Instagram, Twitter, etc.) that discusses any aspect of his/her workplace activities, the following restrictions apply:

- School equipment, including School computers and electronics systems, may not be used for these purposes;
- Student and employee confidentiality policies must be strictly followed;
- Employees must make clear that the views expressed in their blogs are their own and not those of the School;
- Employees may not use the School's logos, trademarks and/or copyrighted material and are not authorized to speak on the School's behalf;
- Employees are not authorized to publish any confidential or proprietary information maintained by the School;
- Employees are prohibited from making discriminatory, defamatory, libelous or slanderous comments when discussing the School, the employee's supervisors, co-workers and competitors;
- Employees must comply with all School policies, including, but not limited to, rules against unlawful harassment and retaliation.

The use of personal social media and other electronic mediums to communicate with students during or after school business hours is strictly prohibited (Also refer to staff/student interaction policy). Professional integrity during and outside of school hours is an expectation for all employees in representing the school community. Therefore, use professional judgment in your personal use of social media.

The School reserves the right to take disciplinary action against any employee whose Internet postings violate this or other School policies.

Creation and use of social media accounts to represent the Watts Learning Center must be cleared and authorized by the School Director, such as the school website page. Authorization of all content and management of social media accounts is the responsibility of the school Director and should pertain to current school business and further the vision of providing children and families with a World Class Education. Social media accounts in the school's name that are not authorized and supervised by the school's director will be closed. Pre-existing social media accounts in the school's name that are not supervised by the school director will be closed.

Personal Appearance/Standards of Dress

WATTS LEARNING CENTER

Our focus is to provide a World Class Education for every child. The expectation for dress, appearance, presence and interaction of every employee follows accordingly. This means that employees are expected to contribute a World Class and professional attitude, appearance and interaction with all staff and students.

WLC employees serve as role models to the School's students. All employees should therefore maintain professional standards of dress and grooming. Just as overall attitude and instructional competency contribute to a productive learning environment, so do appropriate dress and grooming.

Employees are encouraged to wear clothing that will add dignity to the educational profession, will present an image consistent with their job responsibilities, and will not interfere with the learning process. Accordingly, all employees shall adhere to the following standards of dress:

- 1) Clothing and jewelry must be safe and appropriate to the educational environment. All clothing must be clean and in good repair. Slits or tears in pants or other articles of clothing are not permitted except for modest slits in women's dresses or skirts that are no higher than three inches above the knee.
- 2) Head coverings, including hats of any kind, except those worn for religious or safety reasons, are not to be worn inside school buildings including assemblies, classrooms, labs and offices. Hats may be worn outside for sun protection (Cal. Ed. Code § 35183.5). All hats are to be removed upon entering school buildings. For exceptions to this policy, prior approval must be granted by the School Director or Executive Director.
- 3) Slacks are to be worn on the waist with no portion of an undergarment showing. As a general rule, jeans are not permitted unless authorized for a schoolwide activity.
- 4) Skirts and dresses should be no higher than three inches above the knee.
- 5) All tops must be appropriate to the work environment, and should be clean, neat, and provide proper coverage.
- 6) For safety purposes, earrings must not dangle more than one inch below the ear.
- 7) Clothing or jewelry with logos that depict and/or promote gangs (as defined in Cal. Ed. Code § 35183), drugs, alcohol, tobacco, sex, violence, illegal activities, profanity, or obscenity are not permitted.
- 8) Appropriate shoes must be worn at all times.

Health and Safety Policy

WLC is committed to providing and maintaining a healthy and safe work environment for all employees.

Employees are required to know and comply with the School's General Safety Rules and to follow safe and healthy work practices at all times. Employees are required to report immediately to the Director or Executive Director any potential health or safety hazards, and all injuries or accidents.

WATTS LEARNING CENTER

In compliance with Proposition 65, the School will inform employees of any known exposure to a chemical known to cause cancer or reproductive toxicity.

Security Protocols

WLC has developed guidelines to help maintain a secure workplace. Be aware of unknown persons loitering in parking areas, walkways, entrances and exits and service areas. Report any suspicious persons or activities to the Director. Employee desk or office should be secured at the end of the day. When an employee is called away from his or her work area for an extended length of time, valuable or personal articles should not be left around a work station that may be accessible. The security of facilities as well as the welfare of employees depends upon the alertness and sensitivity of every individual to potential security risks. Employees should immediately notify the Director and Executive Director when keys are missing or if security access codes or passes have been breached.

Maintaining a safe and secure learning environment is the responsibility of each employee. The school Director issues the distribution of school keys, equipment and other school property to employees based on role and responsibility and a record is maintained and updated on file to this effect each school year. The employee file is reviewed for collection of school property each year and recorded in the employee file to this effect. The employee file is also reviewed for collection of school property if there is a change in status as well as prior to employee separation. (Also reference personnel file; for ensuring a safe school environment also refer to WLC Board Policy pertaining to Visitors, March, 2017).

Child Custody Cases

WLC staff cannot prevent (or physically restrain) a parent/guardian from removing a child from the premises unless the School has a copy of a court order prohibiting the parent/guardian from taking such action, or if in the School's judgment, the child is in immediate danger of bodily harm.

Occupational Safety

WLC is committed to the safety of its employees, vendors, contractors and the public and to providing a clear safety goal for management.

The prevention of accidents is the responsibility of the Director. It is also the duty of all employees to accept and promote the established safety regulations and procedures. Every effort will be made to provide adequate safety training. If an employee is ever in doubt how to perform a job or task safely, assistance should be requested. Unsafe conditions must be reported immediately.

WATTS LEARNING CENTER

It is the policy of the School that accident prevention shall be considered of primary importance in all phases of operation and administration. WLC's management is required to provide safe and healthy working conditions for all employees and to establish and require the use of safe practices at all times.

Failure to comply with or enforce School safety and health rules, practices and procedures could result in disciplinary action up to and including possible termination.

Timely Accident/Incident Reporting

It is the duty of every employee to immediately or as soon as is practical report any accident or injury occurring during work or on School premises so that arrangements can be made for medical or first aid treatment, as well as for investigation and follow-up purposes.

Whenever an employee is injured or becomes ill on campus, witnesses an injury or an illness on campus, or is responsible for supervising children when they are injured or become ill on campus, that employee must report it to the School Director and complete an Injury and Illness form and/or a Critical Incident Form and file it with the School Director. All head injuries of students must be reported immediately to the responsible administrator and the parent/guardian of the student. The Head Injury form must be completed and sent to the parent/guardian.

It is the expectation that the school and appropriate staff will maintain complete documentation and notify the school Director and parents/families immediately or within the same day regarding incidents pertaining to the safety and welfare of children. For reference, please also see Student-Student Bullying Board Policy (January 2017).

Reporting Fires and Emergencies

It is the duty of every employee to know how to report fires and other emergencies quickly and accurately. Employees should report any such emergency by calling 911 and notifying the Director or Executive Director. In addition, all employees should know the local emergency numbers such as 911.

Teacher Roles, Duties, and Responsibilities

The teacher's role is to provide WLC students with a high quality education in an environment that is safe and an atmosphere that promotes exploration, expands educational horizons, and develops understanding and acceptance of other members of the school community.

WATTS LEARNING CENTER

Teachers report directly to the Director. The Director is responsible for the ongoing evaluation and monitoring of the classroom teaching, adherence to the School's philosophy, and working with teachers in fully implementing the School's curriculum.

Curriculum Responsibilities

Teachers will:

- Work with administration and staff to develop and implement a curriculum that reflects the School's philosophy, addresses the educational needs of the students, and allows teachers to teach and students to learn.
- Evaluate the individual needs of the students, and develop an educational learning plan that addresses those needs while reflecting the curriculum.
- Develop classroom thematic units based upon the integrated themes for the entire school year.
- Provide for classroom learning opportunities that are child-centered, age appropriate, and challenging for each student.
- Create a classroom environment that reflects enthusiasm for learning and the creativity of the teacher.
- Be available for Student Success Team ("SST") meetings.
- Research and utilize the community resources available to the School, plan and organize field trips that are consistent with the curriculum, and expand the learning opportunities of children.

Lesson Plans

Each teacher is required to write lesson plans. These lesson plans are to be made available to the Director. A lesson plan is to be placed in the Substitute Folder.

Homework

At WLC, homework is introduced at the kindergarten level and continues for the remaining years. These assignments are designed to promote self-discipline, reinforce classroom work, and develop good study habits. Homework should be thematically based, developmentally appropriate, and tied directly to the unit of study. The amount and length of homework will increase as a student progresses through the grades.

Field Trips

Field trips are encouraged to enrich the School's curriculum. Teachers are responsible for making their own field trip arrangements. Using public transportation, walking, and including parent/guardian volunteers are part of the School's culture.

All out-of-class activities must be directly related to units being studied and must be approved by the Director. They must be recorded on the calendar in the School office. Teachers should notify

WATTS LEARNING CENTER

the office of a planned field trip as soon as possible by entering the information on the designated schedule.

Parent consent slips signed by parents/guardians must be on file in the office for every student on the trip. Emergency treatment forms are kept by the teacher.

Chaperones should take copies of the emergency forms. Each teacher should take a first aid kit. Field trip training is required for chaperones. Chaperones sign a form indicating they have been trained to assist with providing supervision. Chaperones must be eighteen (18) years of age or older.

Communication Responsibilities

Teachers will:

- Maintain regular communication with the parents and guardians of their students. This communication may take the form of newsletters, phone calls, special notes sent home and emails.
- Regularly schedule parent/guardian conferences, held on a trimester basis during the school year.
- Communicate to students and parents/guardians expectations regarding academic performance, classroom conduct, and interaction with other students and the teacher.
- Work with the parents/guardians in the development of an educational learning plan for students, including the creation of short and long term learning goals for students.
- Communicate professionally and regularly with the Director, addressing any concerns directly to him/her.

Classroom and School Responsibilities

Teachers will:

- Create a classroom environment that establishes clear, consistent expectations for students. Develop a classroom management plan.
- Create opportunities for students to learn proper classroom decorum through modeling, affirmation, language and role playing.
- Allow students the opportunity to learn how to solve their problems independently with appropriate level of interaction from the teacher.
- Adhere to the School Wide Discipline Policy as stated in the WLC Parent/Student Handbook.
- Encourage parents/guardians to participate in the classroom, volunteer their time to WLC, share their particular talents, and provide learning opportunities outside the classroom.
- Attend all regularly scheduled teacher professional development meetings and grade level meetings.
- Develop, with the Director, an annual professional growth plan.
- Develop, in consultation with the Director, goals and objectives for each school year that will serve as the basis for evaluation.

WATTS LEARNING CENTER

- Meet quarterly with the Director to review and evaluate these goals and objectives.
- Participate in general parent/guardian meetings, School activities and special evening presentations sponsored by WLC.
- Exemplify the best ideals of the teaching profession.

Attendance Records

Teachers are responsible for taking attendance each morning and class period as applicable. Attendance records are to be maintained daily. Attendance records are to be reported according to WLC policy. Parents/guardians of students who are absent more than two (2) days are to be contacted by the teacher to determine the reason for the absence.

Budget and Fundraising

Teachers in each classroom will be provided with an annual budget to purchase items or materials that will enhance the curriculum and classroom environment.

No request for funds should go to parents/guardians or to other members of the WLC community unless first cleared through the Board of Directors. Any funds or gifts-in-kind received by an employee, solicited or unsolicited, should be reported to the School Director and Board of Directors. Anyone who contributes gifts to an employee should receive an acknowledgement of receipt.

Substitute Teachers

Teachers who need a substitute to cover their classes for any classroom absence are responsible for making arrangements with a substitute or to call the office to arrange a substitute. Substitute teachers may be arranged as far as thirty (30) days in advance. The office will help with substitute calling if prior notification is given.

Teachers will have a Substitute Folder in their classroom that includes a seating chart, class list, detailed lesson plans, schedule, and emergency procedures.

Student Success Team (“SST”)

The SST meets to clarify problems and concerns of teachers about individual students. The SST uses a systematic problem-solving approach to assist students who are not progressing at satisfactory rates, develops strategies, organizes school resources and provides a system of accountability involving the parents in this process. The team is composed of the Director, special education teacher, and representative teachers. Parents/guardians of the referred student and the student him/herself (if the student is in the fourth (4th) grade or higher) may also participate in the team process. This team may recommend a special education evaluation if school wide resources are not meeting the child’s educational needs.

WATTS LEARNING CENTER

Representing the Watts Learning Center

Soliciting funds or donations

Solicitation of funds or donations of any kind on behalf of the Watts Learning Center is expressly prohibited without written approval and authorization by the Board of Directors. Any funds or gifts-in-kind received by an employee, solicited or unsolicited, should be reported to the School Director and Board of Directors. Anyone who contributes gifts to an employee should receive an acknowledgement of receipt.

Representing the Watts Learning Center by Third Parties.

Contacting any outside third party vendor, foundation, organization or entity to represent the Watts Learning Center for any purpose (including fundraising, offering gifts/donations, soliciting, marketing, or publicity) must be first authorized and approved in writing by the Board of Directors.

Representing the Watts Learning Center to the Media or Publications.

Contacting media or external publications for advertising, marketing, publicity or other reasons must first be cleared and approved in writing by the Board of Directors.

EMPLOYEE WAGES AND HEALTH BENEFITS

Payroll Withholdings

As required by law, the School shall withhold Federal Income Tax, State Income Tax, Social Security (FICA) and State Disability Insurance from each employee's pay as follows:

1. Federal Income Tax Withholding: The amount varies with the number of exemptions the employee claims and the gross pay amount.
2. State Income Tax Withholding: The same factors which apply to federal withholdings apply to state withholdings.
3. Social Security (FICA): The Federal Insurance Contribution Act requires that a certain percentage of employee earnings be deducted and forwarded to the federal government, together with an equal amount contributed by the School.
4. State Disability Insurance (SDI): This state fund is used to provide benefits to those out of work because of illness or disability.

Every deduction from an employee's paycheck is explained on the check voucher. If an employee does not understand the deductions, he or she should ask the Director or Executive Director to explain them.

WATTS LEARNING CENTER

Employees may change the number of withholding allowances claimed for Federal Income Tax purposes at any time by filling out a new W-4 form and submitting it to the Executive Director. The office maintains a supply of these forms.

All Federal, State, and Social Security taxes will be automatically deducted from paychecks. Federal Withholding Tax deduction is determined by the employee's W-4 form. The W-4 form should be completed upon hire and it is the employee's responsibility to report any changes in filing status to the Executive Director or designee and to fill out a new W-4 form.

At the end of the calendar year, a "withholding statement" (W-2) will be prepared and forwarded to each employee for use in connection with preparation of income tax returns. The W-2 shows Social Security information, taxes withheld and total wages.

Overtime Pay

Whether an employee is exempt from or subject to overtime pay will be determined on a case-by-case basis and will be indicated in the employee's job description. Generally, teachers and administrators are exempt. Non-exempt employees may be required to work beyond the regularly scheduled workday or workweek as necessary. Only actual hours worked in a given workday or workweek can apply in calculating overtime for non-exempt employees. WLC will attempt to distribute overtime evenly and accommodate individual schedules. All overtime work must be previously authorized by the Director or Executive Director. WLC provides compensation for all overtime hours worked by non-exempt employees in accordance with state and federal law as follows:

For employees subject to overtime, all hours worked in excess of eight (8) hours in one workday or forty (40) hours in one workweek shall be treated as overtime. Compensation for hours in excess of forty (40) for the workweek or in excess of eight (8) and not more than twelve (12) for the workday, and for the first eight (8) hours on the seventh consecutive day in one workweek, shall be paid at a rate of one and one-half times the employee's regular rate of pay. Compensation for hours in excess of twelve (12) in one workday and an excess of eight (8) on the seventh consecutive workday of the workweek shall be paid at double the regular rate of pay.

Exempt employees may have to work hours beyond their normal schedules as work demands require. No overtime compensation will be paid to these exempt employees.

Paydays

Paydays are scheduled on the twice per month according to the ExED pay schedule. If an employee observes any error in his or her check, it should be reported immediately to the Director.

Wage Attachments and Garnishments

WATTS LEARNING CENTER

Under normal circumstances, the School will not assist creditors in the collection of personal debts from its employees. However, creditors may resort to certain legal procedures such as garnishments, levies or judgments that require the School, by law, to withhold part of an employee's earnings in their favor.

Employees are strongly encouraged to avoid such wage attachments and garnishments. If the School is presented a second garnishment request concerning an employee, the Director will discuss the situation with the employee.

Medical Benefits

Eligibility

An employee is eligible for medical coverage if he or she is a full-time regular employee working for the School. A "full-time" employee for the purposes of this section means that an employee is hired to work at least thirty (30) regular hours per week. Temporary and internship employees are not eligible to participate in the plans.

Employees who go from part-time to full-time employment become eligible for full benefits on the first day of the month following the effective date of the change.

When Coverage Starts

Your coverage will begin on the first day of employment or if hired mid-month it will start on the first day of the next month. Your enrollment form must be submitted to the School Director as soon as possible. This form serves as a request for coverage, and authorizes any payroll deductions necessary to pay for your coverage.

COBRA Benefits

Continuation of Medical and Dental

WHEN COVERAGE UNDER THE SCHOOL'S HEALTH PLAN ENDS, EMPLOYEES OR THEIR DEPENDENTS MAY CONTINUE COVERAGE IN SOME SITUATIONS.

When coverage under the School's medical and/or dental plans ends, employees or their dependents can continue coverage for eighteen (18) or thirty-six (36) months, depending upon the reason benefits ended. To continue coverage, an employee must pay the full cost of coverage – the employee contribution and the School's previous contribution plus a possible administrative charge.

Medical coverage for an employee, his/her spouse, and eligible dependent children can continue for up to eighteen (18) months if coverage ends because:

WATTS LEARNING CENTER

- Employment ends, voluntarily or involuntarily, for any reason other than gross misconduct; or
- Hours of employment are reduced below the amount required to be considered a full-time employee or part-time, making an employee ineligible for the plan.

This eighteen (18)-month period may be extended an additional eleven (11) months if an employee is disabled at the time of termination or reduction in hours if the employee meets certain requirements. This eighteen (18)-month period also may be extended if other events (such as a divorce or death) occur during the eighteen (18)-month period.

An employee's spouse and eligible dependents can continue their health coverage for up to thirty-six (36) months if coverage ends because:

- The employee dies while covered by the plan;
- The employee and his/her spouse become divorced or legally separated;
- The employee becomes eligible for Medicare coverage, but his/her spouse has not yet reach age sixty-five (65); or
- The employee's dependent child reaches an age which makes him or her ineligible for coverage under the plan.

Rights similar to those described above may apply to retirees, spouses and dependents if the employer commences a bankruptcy proceeding and those individuals lose coverage.

WLC will notify employees or their dependents if coverage ends due to termination or a reduction in work hours. If an employee becomes eligible for Medicare, divorced or legally separated, die, or when a dependent child no longer meets the eligibility requirements, the employee or a family member are responsible for notifying the School within thirty (30) days of the event. WLC will then notify the employee or his/her dependents of the employee's rights.

Health coverage continuation must be elected within sixty (60) days after receiving notice of the end of coverage, or within sixty (60) days after the event causing the loss, whichever is later.

There are certain circumstances under which coverage will end automatically. This happens if:

- Premiums for continued coverage are not paid within thirty (30) days of the due date;
- The employee (or his/her spouse or child) become covered under another group health plan which does not contain any exclusion or limitation with respect to any pre-existing condition the employee (or the employee's spouse or child, as applicable) may have;
- WLC stops providing group health benefits;

WATTS LEARNING CENTER

- The employee (or the employee's spouse or child) become entitled to Medicare; or
- The employee extended coverage for up to twenty-nine (29) months due to disability and there has been a final determination that the employee is no longer disabled.

PERSONNEL EVALUATION AND RECORD KEEPING

Employee Reviews and Evaluations

Each employee will receive periodic performance reviews conducted by the immediate supervisor, the School Director or Executive Director. Performance evaluations will be conducted annually. The frequency of performance evaluations may vary depending upon length of service, job position, past performance, changes in job duties, or recurring performance problems.

Performance evaluations may review factors such as the quality and quantity of the work performed, knowledge of the job, initiative, work attitude, and attitude toward others. The performance evaluations are intended to make employees aware of their progress, areas for improvement, and objectives or goals for future work performance. Favorable performance evaluations do not guarantee increases in salary or promotions. Salary increases and promotions are solely within the discretion of the School and depend upon many factors in addition to performance. After the review, an employee will be required to sign the evaluation report simply to acknowledge that it has been presented to them, that they have discussed it with the School Director or Executive Director, and that they are aware of its contents.

Newly hired employees will have their performance goals reviewed by the School Director or Executive Director within the first ninety (90) days of employment.

Salary and potential for advancement will be based largely upon job performance. On a periodic basis, the School Director or Executive Director will review employee job performance with an employee in order to establish goals for future performance and to discuss your current performance. WLC's evaluation system will in no way alter the at-will employment relationship.

Personnel Files and Record Keeping Protocols

At the time of employment, a personnel file is established for you and maintained in the school by the Director. The file includes documentation of qualifications, records of certifications and completion of annual clearances, receipt of school property and other pertinent employee information. The employee file is reviewed for distribution and collection of school property each year and recorded in the employee file to this effect. The employee file is also reviewed for collection of school property if there is a change in status as well as prior to employee separation. Please keep the School Director advised of changes that should be reflected in your personnel file. Such changes include: change in address, telephone number, marital status, number of

WATTS LEARNING CENTER

dependents and person(s) to notify in case of emergency. Prompt notification of these changes is essential and will enable the School to contact you should the change affect your other records.

You have the right to inspect certain documents in your personnel file, as provided by law, in the presence of a School representative, at a mutually convenient time. You also have the right to obtain a copy of your personnel file as provided by law. You may add your comments to any disputed item in the file. WLC will restrict disclosure of your personnel file to authorized individuals within the School. A request for information contained in the personnel file must be directed to the Executive Director. Only the Executive Director or designee is authorized to release information about current or former employees. Disclosure of information to outside sources will be limited. However, the School will cooperate with requests from authorized law enforcement or local, state or federal agencies conducting official investigations or as otherwise legally required.

HOLIDAYS, VACATIONS AND LEAVES

Holidays

WLC calendar reflects any and all holidays observed by the School. The following holidays are generally observed by public entities, including public schools:

- New Year's Day
- Martin Luther King Jr. Birthday
- President's Day
- Memorial Day
- Independence Day
- Labor Day
- Admissions Day
- Veteran's Day
- Thanksgiving
- Friday after Thanksgiving
- Day before Christmas
- Christmas Day

To be eligible for holiday pay, employees must work the full scheduled workday immediately preceding and following any holiday, unless administrative approval has been granted in writing or a verified illness or emergency prevents the employee from working the full scheduled workday.

Other days during the school year, such as days during the School's calendared breaks, shall not be paid time for all non-exempt employees in active status. Recognized religious holidays may be taken off by an employee whose religion requires observance of the particular day. Employees must request the day off in advance by written notice to the Executive Director. The employee will be paid if the religious holiday is taken as an earned paid leave day (i.e. vacation, personal necessity day, etc., as applicable). The employee will not be paid if the religious holiday

WATTS LEARNING CENTER

is taken as a personal leave of absence day. Employees on any leave of absence do not earn holiday pay.

WLC is a public school that recognizes and respects diversity. Although the School does not recognize and celebrate religious observances, teachers are encouraged to incorporate diverse religious and ethnic observances into their thematic curriculum instruction.

Vacation

While the School recognizes the importance of vacation time as a period of rest and rejuvenation away from the job, vacations must be scheduled with due consideration for “peak traffic periods” in the School. With this in mind, it is expected that vacation time will be taken when school is not in session.

Regular full-time, twelve (12) month employees are entitled to vacation terms based upon date of hire, length of service and status with the School. Full-time 12-month employees shall accrue eighty (80) hours of paid vacation each year, beginning after six (6) months of service, unless otherwise stipulated in the employee agreement. Paid vacation time for administrators will be established in the administrator’s employment contract. Employees working on part-time basis (less than full-time) shall not earn vacation days.

Any vacation time taken during the school year or otherwise should be coordinated and cleared by the immediate supervisor subject to scheduling and seniority. Vacation requests by the School Director must be pre-approved by the Executive Director.

For all full-time 12 month employees, vacation days should be taken when school is not in session. Vacation time is figured on a school year beginning with the opening of school rather than the beginning of the fiscal year.

Vacation time may not be utilized before it is earned. An employee whose employment terminates will be paid for accrued unused vacation days. This will be determined by the number of months worked. Vacation can accrue up to a maximum of one-hundred twenty hours (120) of pay or 3 weeks. Once this cap is reached, no further vacation will accrue until some vacation is used. When some vacation is used, vacation compensation will begin to accrue again. There is no retroactive grant of vacation compensation for the period of time the accrued vacation compensation was at the cap.

Unpaid Leave of Absence

WLC recognizes that special situations may arise where an employee must leave his or her job temporarily. At its discretion, the School may grant employees leaves of absence. Any unpaid leave of absence must be approved in advance by the School.

The granting of a leave of absence always presumes the employee will return to active work by a designated date or within a specific period.

WATTS LEARNING CENTER

If you are currently covered, medical, and dental coverage will remain in force during a medical or worker's compensation leave of absence, provided you pay the appropriate premiums. Whether you are required to pay your own premiums will depend upon the length of your leave of absence. During a family/medical leave, your medical and dental benefits will remain in force provided you pay the appropriate premiums. Benefits are terminated the day any other type of leave begins. If an employee fails to return from a leave and is subsequently terminated, the employee is entitled to all earned but unused vacation pay, provided that the vacation pay was earned prior to the commencement of leave.

No vacation time is accrued during any type of unpaid leave of absence.

Sick Leave

Paid sick leave is available to all WLC employees who work at least thirty (30) days within the span of a single calendar year from the commencement of employment.

Sick leave may be taken to receive preventive care (including annual physicals or flu shots) or to diagnose, treat, or care for an existing health condition. Eligible employees may also use sick leave to assist a family member (i.e., children, parents, spouses/domestic partners, grandparents, grandchildren, or siblings) who must receive preventative care or a diagnosis, treatment, or care for an existing health condition. Finally, an eligible employee may take paid sick leave to receive medical care or other assistance to address instances of domestic violence, sexual assault, or stalking.

All eligible employees will receive twenty-four (24) hours of sick leave at the beginning of each work year. Additionally, full-time twelve (12) month employees will accrue six (6) hours of sick leave each month for a total of eighty (80) hours of sick leave per year. Full-time ten (10) month employees will accrue 5.6 hours of sick leave per month worked for a total of eighty (80) hours of sick leave per year.

Unused, accrued sick leave for full-time employees shall carry over from year-to-year. However, such accrual of sick leave is capped at four-hundred (400) hours. Sick leave for all other eligible employees does not carry over to the following school year.

Employees cannot use paid sick leave until the ninetieth (90th) calendar day following the employee's start date. Employees are not allowed to draw against unearned/unaccrued sick leave. WLC does not pay employees in lieu of unused sick leave.

Sick leave may only be used for the purposes specified in this policy. Accordingly, WLC retains the right to request verification from a licensed health care provider for any absence due to illness or disability.

If an employee finds it necessary to be absent from work, the following reporting procedure must be followed:

WATTS LEARNING CENTER

- Except in cases of extreme emergency, employees must call the School office at the beginning of the first day of absence with a reason for the absence. Staff will be available to receive the call beginning at 7:30 a.m. each workday. Teachers should attempt to contact the office as early as possible in order to arrange for a substitute.
- Unless other arrangements have been made with the Director, call again by 2:00 p.m. every day during the absence. Failure to call on any day you are absent will result in your absence being classified as unexcused and will be considered a serious matter on your record.
- If you find it necessary to leave work before the end of the workday, you are required to notify the Director to obtain authorization to leave.
- If the Director finds it necessary to leave or be absent from work due to illness, he or she must notify the Executive Director as soon as possible, and maintain communication with the Executive Director each day until returning to work.

Personal Necessity Leave

Full-time employees may use up to 3 days of sick leave each school year as personal necessity leave. All full-time employees are only allotted 3 days of personal necessity leave each school year. Uses of personal necessity leave may include, but are not limited to, death or serious illness of a member of the employee's immediate family (this is in addition to Bereavement Leave), an accident involving the employee's person or property, or the person or property of an immediate family member, adoption of a child, the birth of child making it necessary for an employee who is the parent of the child to be absent from their position during work hours, attendance at conferences, personal legal matters, religious observances, and business matters that cannot be conducted outside of the workday.

For absences due to emergency or other circumstances in which employees wish to utilize personal necessity leave, the employee must notify the School Director at least 1 day in advance or as soon as possible. For personal necessity leave, the School Director must notify the Executive Director at least 1 day in advance or as soon as possible.

Personal necessity leave shall not be used to extend a weekend, break period, or holiday unless it has been approved by the immediate supervisor, either the School Director or Executive Director.

Family Care and Medical Leave

This policy explains how the School complies with the federal Family and Medical Leave Act ("FMLA") and the California Family Rights Act ("CFRA"), both of which require the School to permit each eligible employee to take up to twelve (12) workweeks (or twenty-six (26) workweeks where indicated) of FMLA leave in any twelve (12) month period for the purposes

WATTS LEARNING CENTER

enumerated below. For purposes of this policy, all leave taken under FMLA or CFRA will be referred to as “FMLA leave.”

- **Employee Eligibility Criteria**

To be eligible for FMLA leave, the employee must have been employed by the School for a total of at least twelve (12) months and must have worked at least 1,250 hours during the twelve (12) month period immediately preceding commencement of the FMLA leave.

- **Events That May Entitle an Employee To FMLA Leave**

The twelve (12) week (or twenty-six (26) workweeks where indicated) FMLA allowance includes any time taken (with or without pay) for any of the following reasons:

1. To care for the employee’s newborn child or a child placed with the employee for adoption or foster care. Leaves for this purpose must conclude twelve (12) months after the birth, adoption, or placement. If both parents are employed by the School, they will be entitled to a combined total of twelve (12) weeks of leave for this purpose.
2. Because of the employee’s own serious health condition (including a serious health condition resulting from an on-the-job illness or injury) that makes the employee unable to perform any one or more of the essential functions of his or her job (other than a disability caused by pregnancy, childbirth, or related medical conditions, which is covered by the School’s separate pregnancy disability policy).
 - a. A “serious health condition” is an illness, injury (including, but not limited to, on-the-job injuries), impairment, or physical or mental condition of the employee or a child, parent, or spouse of the employee that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse.
 - b. “Inpatient care” means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an “inpatient” when a health care facility formally admits him/her to the facility with the expectation that he/she will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.
 - c. “Incapacity” means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.

WATTS LEARNING CENTER

- d. “Continuing treatment” means ongoing medical treatment or supervision by a health care provider.
3. To care for a spouse, domestic partner, child, or parent with a serious health condition or military service-related injury. When an employee is providing care to a spouse, son, daughter, parent, or next of kin who is a covered Armed Forces servicemember with a serious injury or illness, the employee may take a maximum of twenty-six (26) weeks of FMLA leave in a single twelve (12) - month period to provide said care.
 4. For any “qualifying exigency” because the employee is the spouse, son, daughter, or parent of an individual on active military duty, or an individual notified of an impending call or order to active duty, in the Armed Forces.
- Amount of FMLA Leave Which May Be Taken
 1. FMLA leave can be taken in one (1) or more periods, but may not exceed twelve (12) workweeks total for any purpose in any twelve (12) month period, as described below, for any one, or combination of the above-described situations. “Twelve workweeks” means the equivalent of twelve (12) of the employee’s normally scheduled workweeks. For a full-time employee who works five (5) eight-hour days per week, “twelve workweeks” means sixty (60) working and/or paid eight (8) hour days.
 2. In addition to the twelve (12) workweeks of FMLA leave that may be taken, an employee who is the spouse, son, daughter, parent, or next of kin of a covered Armed Forces servicemember shall also be entitled to a total of twenty-six (26) workweeks of FMLA leave during a twelve (12) month period to care for the servicemember.
 3. The “twelve month period” in which twelve (12) weeks of FMLA leave may be taken is the twelve (12) month period immediately preceding the commencement of any FMLA leave.
 4. If a holiday falls within a week taken as FMLA leave, the week is nevertheless counted as a week of FMLA leave. If, however, the School’s business activity has temporarily ceased for some reason and employees are generally not expected to report for work for one or more weeks, such as the Winter Break, Spring Break, or Summer Vacation, the days the School’s activities have ceased do not count against the employee’s FMLA leave entitlement. Similarly, if an employee uses FMLA leave in increments of less than one (1) week, the fact that a holiday may occur within a week in which an employee partially takes leave does not count against the employee’s CFRA entitlement unless the employee was otherwise scheduled and expected to work during the holiday.
 - Pay during FMLA Leave

WATTS LEARNING CENTER

1. An employee on FMLA leave because of his/her own serious health condition must use all accrued paid sick leave at the beginning of any otherwise unpaid FMLA leave period. If an employee is receiving a partial wage replacement benefit during the FMLA leave, the School and the employee may agree to have School-provided paid leave, such as vacation or sick time, supplement the partial wage replacement benefit unless otherwise prohibited by law.
2. An employee on FMLA leave for child care or to care for a spouse, domestic partner, parent, or child with a serious health condition may use any or all accrued sick leave at the beginning of any otherwise unpaid FMLA leave.
3. If an employee has exhausted his/her sick leave, leave taken under FMLA shall be unpaid leave.
4. The receipt of sick leave pay or State Disability Insurance benefits will not extend the length of the FMLA leave. Sick pay accrues during any period of unpaid FMLA leave only until the end of the month in which unpaid leave began.

- Health Benefits

The provisions of the School's various employee benefit plans govern continuing eligibility during FMLA leave, and these provisions may change from time to time. The health benefits of employees on FMLA leave will be paid by the School during the leave at the same level and under the same conditions as coverage would have been provided if the employee had been continuously employed during the leave period. When a request for FMLA leave is granted, the School will give the employee written confirmation of the arrangements made for the payment of insurance premiums during the leave period.

If an employee is required to pay premiums for any part of his/her group health coverage, the School will provide the employee with advance written notice of the terms and conditions under which premium payments must be made.

WLC may recover the health benefit costs paid on behalf of an employee during his/her FMLA leave if:

1. The employee fails to return from leave after the period of leave to which the employee is entitled has expired. An employee is deemed to have "failed to return from leave" if he/she works less than thirty (30) days after returning from FMLA leave; and
2. The employee's failure to return from leave is for a reason other than the continuation, recurrence, or onset of a serious health condition that entitles the employee to FMLA leave, or other circumstances beyond the control of the

WATTS LEARNING CENTER

employee.

- Seniority

An employee on FMLA leave remains an employee and the leave will not constitute a break in service. An employee who returns from FMLA leave will return with the same seniority he/she had when the leave commenced. An employee who was absent from work while fulfilling his or her covered service obligation under the Uniformed Services Employment and Reemployment Rights Act (“USERRA”) shall be credited, upon his or her return to the School, with the hours of service that would have been performed but for the period of absence from work due to or necessitated by USERRA-covered service.

- Medical Certifications

1. An employee requesting FMLA leave because of his/her own or a relative’s serious health condition must provide medical certification from the appropriate health care provider on a form supplied by the School. Absent extenuating circumstances, failure to provide the required certification in a timely manner (within fifteen (15) days of the School’s request for certification) may result in denial of the leave request until such certification is provided.
2. The School will notify the employee in writing if the certification is incomplete or insufficient, and will advise the employee what additional information is necessary in order to make the certification complete and sufficient. The School may contact the employee’s health care provider to authenticate or clarify information in a deficient certification if the employee is unable to cure the deficiency.
3. If the School has reason to doubt the medical certification supporting a leave because of the employee’s own serious health condition, the School may request a second opinion by a health care provider of its choice (paid for by the School). If the second opinion differs from the first one, the School will pay for a third, mutually agreeable, health care provider to provide a final and binding opinion.
4. Recertifications are required if leave is sought after expiration of the time estimated by the health care provider. Failure to submit required recertifications can result in termination of the leave.

- Procedures for Requesting and Scheduling FMLA Leave

1. An employee should request FMLA leave by completing a Request for Leave form and submitting it to the Director. An employee asking for a Request for Leave form will be given a copy of the School’s then-current FMLA leave policy.
2. Employees should provide not less than thirty (30) days’ notice for foreseeable childbirth, placement, or any planned medical treatment for the employee or

WATTS LEARNING CENTER

his/her spouse, domestic partner, child, or parent. Failure to provide such notice is grounds for denial of a leave request, except if the need for FMLA leave was an emergency or was otherwise unforeseeable.

3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
 4. If FMLA leave is taken because of the employee's own serious health condition or the serious health condition of the employee's spouse, domestic partner, parent or child, the leave may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition.
 5. If FMLA leave is taken because of the birth of the employee's child or the placement of a child with the employee for adoption or foster care, the minimum duration of leave is two (2) weeks, except that the School will grant a request for FMLA leave for this purpose of at least one day but less than two (2) weeks' duration on any two (2) occasions.
 6. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment for the employee or a family member, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits and that better accommodates recurring periods of leave than the employee's regular position.
 7. The School will respond to an FMLA leave request no later than five (5) days of receiving the request. If an FMLA leave request is granted, the School will notify the employee in writing that the leave will be counted against the employee's FMLA leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.
- Return to Work
 1. Upon timely return at the expiration of the FMLA leave period, an employee (other than a "key" employee whose reinstatement would cause serious and grievous injury to the School's operations) is entitled to the same or a comparable position with the same or similar duties and virtually identical pay, benefits, and other terms and conditions of employment unless the same position and any comparable position(s) have ceased to exist because of legitimate business reasons unrelated to the employee's FMLA leave.
 2. When a request for FMLA leave is granted to an employee (other than a "key" employee), the School will give the employee a written guarantee of reinstatement at the termination of the leave (with the limitations explained above).

WATTS LEARNING CENTER

3. Before an employee will be permitted to return from FMLA leave taken because of his/her own serious health condition, the employee must obtain a certification from his/her health care provider that he/she is able to resume work.
 4. If an employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.
- **Limitations on Reinstatement**
 1. WLC may refuse to reinstate a “key” employee if the refusal is necessary to prevent substantial and grievous injury to the School’s operations. A “key” employee is an exempt salaried employee who is among the highest paid 10% of the School’s employees within seventy-five (75) miles of the employee’s worksite.
 2. A “key” employee will be advised in writing at the time of a request for, or if earlier, at the time of commencement of, FMLA leave, that he/she qualifies as a “key” employee and the potential consequences with respect to reinstatement and maintenance of health benefits if the School determines that substantial and grievous injury to the School’s operations will result if the employee is reinstated from FMLA leave. At the time it determines that refusal is necessary, the School will notify the “key” employee in writing (by certified mail) of its intent to refuse reinstatement and will explain the basis for finding that the employee’s reinstatement would cause the School to suffer substantial and grievous injury. If the School realizes after the leave has commenced that refusal of reinstatement is necessary, it will give the employee at least ten (10) days to return to work following the notice of its intent to refuse reinstatement.
 - **Employment during Leave**

No employee, including employees on FMLA leave, may accept employment with any other employer without the School’s written permission. An employee who accepts such employment without the School’s written permission will be deemed to have resigned from employment at the School.

Pregnancy Disability Leave

This policy explains how the School complies with the California Pregnancy Disability Act, which requires the School to give each female employee an unpaid leave of absence of up to four (4) months per pregnancy, as needed, for the period(s) of time a woman is actually disabled by pregnancy, childbirth, or related medical conditions.

- **Employee Eligibility Criteria**

WATTS LEARNING CENTER

To be eligible for pregnancy disability leave, the employee must be disabled by pregnancy, childbirth, or a related medical condition and must provide appropriate medical certification concerning the disability.

- **Events That May Entitle an Employee to Pregnancy Disability Leave**

The four (4) -month pregnancy disability leave allowance includes any time taken (with or without pay) for any of the following reasons:

1. The employee is unable to work at all or is unable to perform any one or more of the essential functions of her job without undue risk to herself, the successful completion of her pregnancy, or to other persons because of pregnancy or childbirth, or because of any medically recognized physical or mental condition that is related to pregnancy or childbirth (including severe morning sickness); or
2. The employee needs to take time off for prenatal care.

- **Duration of Pregnancy Disability Leave**

Pregnancy disability leave may be taken in one or more periods, but not to exceed four months total. “Four months” means the number of days the employee would normally work within four months. For a full-time employee who works five (5) eight (8) hour days per week, four (4) months means 693 hours of leave (40 hours per week times 17 1/3 weeks).

For employees who work more or less than forty (40) hours per week, or who work on variable work schedules, the number of working days that constitutes four (4) months is calculated on a pro rata or proportional basis. For example, for an employee who works twenty (20) hours per week, “four months” means 346.5 hours of leave entitlement (20 hours per week times 17 1/3 weeks). For an employee who normally works forty-eight (48) hours per week, “four months” means 832 hours of leave entitlement (48 hours per week times 17 1/3 weeks).

At the end or depletion of an employee’s pregnancy disability leave, an employee who has a physical or mental disability (which may or may not be due to pregnancy, childbirth, or related medical conditions) may be entitled to reasonable accommodation. Entitlement to additional leave must be determined on a case-by case basis, taking into account a number of considerations such as whether an extended leave is likely to be effective in allowing the employee to return to work at the end of the leave, with or without further reasonable accommodation, and whether or not additional leave would create an undue hardship for the School. The School is not required to provide an indefinite leave of absence as a reasonable accommodation.

Pregnancy disability leave does not count against the leave which may be available as Family Care and Medical Leave.

WATTS LEARNING CENTER

- Pay during Pregnancy Disability Leave

1. An employee on pregnancy disability leave must use all accrued paid sick leave and may use any or all accrued vacation time at the beginning of any otherwise unpaid leave period.
2. The receipt of vacation pay, sick leave pay, or state disability insurance benefits, will not extend the length of pregnancy disability leave.
3. Vacation and sick pay accrues during any period of unpaid pregnancy disability leave only until the end of the month in which the unpaid leave began.

- Health Benefits

WLC shall provide continued health insurance coverage while an employee is on pregnancy disability leave consistent with applicable law. The continuation of health benefits is for a maximum of four (4) months in a twelve (12) -month period. WLC can recover premiums that it already paid on behalf of an employee if both of the following conditions are met:

1. The employee fails to return from leave after the designated leave period expires.
2. The employee's failure to return from leave is for a reason other than the following:
 - The employee is taking leave under the California Family Rights Act.
 - There is a continuation, recurrence or onset of a health condition that entitles the employee to pregnancy disability leave.
 - There is a non-pregnancy related medical condition requiring further leave.
 - Any other circumstance beyond the control of the employee.

- Seniority

An employee on pregnancy disability leave remains an employee of the School and a leave will not constitute a break in service. When an employee returns from pregnancy disability leave, she will return with the same seniority she had when the leave commenced.

- Medical Certifications

1. An employee requesting a pregnancy disability leave must provide medical certification from her healthcare provider on a form supplied by the School.

WATTS LEARNING CENTER

Failure to provide the required certification in a timely manner (within fifteen (15) days of the leave request) may result in a denial of the leave request until such certification is provided.

2. Recertifications are required if leave is sought after expiration of the time estimated by the healthcare provider. Failure to submit required recertifications can result in termination of the leave.
- **Requesting and Scheduling Pregnancy Disability Leave**
 1. An employee should request pregnancy disability leave by completing a Request for Leave form and submitting it to the Executive Director. An employee asking for a Request for Leave form will be referred to the School's then current pregnancy disability leave policy.
 2. Employee should provide not less than thirty (30) days or as soon of notice as is practicable, if the need for the leave is foreseeable. Failure to provide such notice is grounds for denial of the leave request, except if the need for pregnancy disability leave was an emergency and was otherwise unforeseeable.
 3. Where possible, employees must make a reasonable effort to schedule foreseeable planned medical treatments so as not to unduly disrupt the School's operations.
 4. Pregnancy disability leave may be taken intermittently or on a reduced leave schedule when medically advisable, as determined by the employee's healthcare provider.
 5. If an employee needs intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment, the employee may be transferred temporarily to an available alternative position for which he or she is qualified that has equivalent pay and benefits that better accommodates recurring periods of leave than the employee's regular position.
 6. In most cases, the School will respond to a pregnancy disability leave request within two (2) days of acquiring knowledge that the leave qualifies as pregnancy disability and, in any event, within ten (10) days of receiving the request. If a pregnancy disability leave request is granted, the School will notify the employee in writing and leave will be counted against the employee's pregnancy disability leave entitlement. This notice will explain the employee's obligations and the consequences of failing to satisfy them.
 - **Return to Work**
 1. Upon timely return at the expiration of the pregnancy disability leave period, an employee is entitled to the same position unless the employee would not otherwise have been employed in the same position at the time reinstatement is

WATTS LEARNING CENTER

requested. If the employee is not reinstated to the same position, she must be reinstated to a comparable position unless one of the following is applicable:

- a. The employer would not have offered a comparable position to the employee if she would have been continuously at work during the pregnancy disability leave.
- b. There is no comparable position available, to which the employee is either qualified or entitled, on the employee's scheduled date of reinstatement or within sixty (60) calendar days thereafter. The School will take reasonable steps to provide notice to the employee if and when comparable positions become available during the sixty (60) day period.

A "comparable" position is a position that involves the same or similar duties and responsibilities and is virtually identical to the employee's original position in terms of pay, benefits, and working conditions.

2. When a request for pregnancy disability leave is granted to an employee, the School will give the employee a written guarantee of reinstatement at the end of the leave (with the limitations explained above).
 3. In accordance with WLC policy, before an employee will be permitted to return from a pregnancy disability leave of three (3) days or more, the employee must obtain a certification from her healthcare provider that she is able to resume work.
 4. If the employee can return to work with limitations, the School will evaluate those limitations and, if possible, will accommodate the employee as required by law. If accommodation cannot be made, the employee will be medically separated from the School.
- Employment during Leave

No employee, including employees on pregnancy disability leave, may accept employment with any other employer without the School's written permission. An employee who accepts such employment without written permission will be deemed to have resigned from employment.

Industrial Injury Leave (Workers' Compensation)

WLC, in accordance with State law, provides insurance coverage for employees in case of work-related injuries. The workers' compensation benefits provided to injured employees may include:

- Medical care;
- Cash benefits, tax-free to replace lost wages; and

WATTS LEARNING CENTER

- Vocational rehabilitation to help qualified injured employees return to suitable employment.

To ensure you receive any worker's compensation benefits to which you may be entitled, you will need to:

- Immediately report any work-related injury to the Executive Director;
- Seek medical treatment and follow-up care if required;
- Complete a written Employee's Claim Form (DWC Form 1) and return it to the Executive Director; and
- Provide the School with a certification from your health care provider regarding the need for workers' compensation disability leave as well as your eventual ability to return to work from the leave.

It is the School's policy that when there is a job-related injury, the first priority is to insure that the injured employee receives appropriate medical attention. WLC, with the help of its insurance carrier has selected medical centers to meet this need. Each medical center was selected for its ability to meet anticipated needs with high quality medical service and a location that is convenient to the School's operation.

- If an employee is injured on the job, he/she is to go or be taken to the approved medical center for treatment. If injuries are such that they require the use of emergency medical systems ("EMS") such as an ambulance, the choice by the EMS personnel for the most appropriate medical center or hospital for treatment will be recognized as an approved center.
- All accidents and injuries must be reported to the School Director and to the individual responsible for reporting to the School's insurance carrier. Failure by an employee to report a work-related injury by the end of his/her shift could result in loss of insurance coverage for the employee. An employee may choose to be treated by his/her personal physician at his/her own expense, but he/she is still required to go to the School's approved medical center for evaluation. All job-related injuries must be reported to the appropriate State Workers' Compensation Bureau and the insurance carrier.
- When there is a job-related injury that results in lost time, the employee must have a medical release from the School's approved medical facility before returning to work.
- Any time there is a job-related injury, the School's policy requires drug/alcohol testing along with any medical treatment provided to the employee.

Military and Military Spousal Leave of Absence

WATTS LEARNING CENTER

WLC shall grant a military leave of absence to any employee who must be absent from work due to service in the uniformed services in accordance with the Uniformed Services Employment and Re-Employment Rights Act of 1994 (“USERRA”). All employees requesting military leave must provide advance written notice of the need for such leave, unless prevented from doing so by military necessity or if providing notice would be impossible or unreasonable.

If military leave is for thirty (30) or fewer days, the School shall continue the employee’s health benefits. For service of more than thirty (30) days, employee shall be permitted to continue their health benefits at their option through COBRA. Employees are entitled to use accrued vacation or paid time off as wage replacement during time served, provided such vacation/paid time off accrued prior to the leave.

WLC will reinstate those employees returning from military leave to their same position or one of comparable seniority, status, and pay if they have a certificate of satisfactory completion of service and apply within ninety (90) days after release from active duty or within such extended period, if any, as required by law. Exceptions to this policy will occur wherever necessary to comply with applicable laws.

WLC shall grant up to ten (10) days of unpaid leave to employees who work more than twenty (20) hours per week and who are spouses of deployed military servicemen and servicewomen. The leave may be taken when the military spouse is on leave from deployment during a time of military conflict. To be eligible for leave, an employee must provide the School with (1) notice of intention to take military spousal leave within two (2) business days of receiving official notice that the employee’s military spouse will be on leave from deployment, and (2) documentation certifying that the employee’s military spouse will be on leave from deployment during the time that the employee requests leave.

Bereavement Leave

Full-time employees are entitled to a leave of up to three (3) days without loss of pay due to a death in the immediate family (parent, spouse, son/daughter, sister/brother, parents-in-law, son/daughter-in-law, grandparents, grandchild) or any individual who resides with the employee as a member of the family. Full-time employees may take up to four (4) hours paid time off to attend the funeral of a friend or relative other than those detailed above. Part-time employees may take time off without pay.

Bereavement pay will not be used in computing overtime pay. Any scheduled days off (including weekends, holidays and vacations) falling during the absence will be counted as both bereavement leave and scheduled days off.

Jury Duty or Witness Leave

For all exempt employees, the School will pay for time off if an employee is called to serve on a jury provided the employee continues to provide work duties as assigned. For all non-exempt employees, the School will grant an unpaid leave of absence if you are called to serve on a jury.

WATTS LEARNING CENTER

Voting Time Off

If an employee does not have sufficient time outside of working hours to vote in an official state-sanctioned election, the employee may take off enough working time to vote. Such time off shall be taken at the beginning or the end of the regular working shift, whichever allows for more free time and the time taken off shall be combined with the voting time available outside of working hours to a maximum of two (2) hours combined. Under these circumstances, an employee will be allowed a maximum of two (2) hours of time off during an election day without loss of pay. When possible, an employee requesting time off to vote shall give the Director at least two (2) days notice.

School Appearance and Activities Leave

As required by law, WLC will permit an employee who is a parent or guardian of school children, from kindergarten through grade twelve (12), or a child in a licensed day-care facility, up to forty (40) hours of unpaid time off per child per school year (up to eight (8) hours in any calendar month of the school year) to participate in activities of a child's school. If more than one parent or guardian is an employee of WLC, the employee that first provides the leave request will be given the requested time off. Where necessary, additional time off will also be permitted where the school requires the employee(s) appearance.

The employee requesting school leave must provide reasonable advanced notice of the planned absence. The employee must use accrued but unused sick time to be paid during the absence.

When requesting time off for school activities, the employee must provide verification of participation in an activity as soon as practicable. When requesting time off for a required appearance, the employee(s) must provide a copy of the notice from the child's school requesting the presence of the employee.

Bone Marrow and Organ Donor Leave

As required by law, eligible employees who require time off to donate bone marrow to another person may receive up to five (5) workdays off in a 12-month period. Eligible employees who require time off to donate an organ to another person may receive up to thirty (30) workdays off in a 12-month period.

To be eligible for bone marrow or organ donation leave ("Donor Leave"), the employee must have been employed by the School for at least ninety (90) days immediately preceding the Donor Leave.

An employee requesting Donor Leave must provide written verification to the School that he or she is a donor and that there is a medical necessity for the donation of the organ or bone marrow.

An employee must first use his or her earned but unused sick leave for bone marrow donation and two (2) week's worth of earned but unused sick leave for organ donation. If the employee has an insufficient number of sick days available, the leave will be considered unpaid.

WATTS LEARNING CENTER

Employees returning from Donor Leave will be reinstated to the position held before the leave began, or to a position with equivalent status, benefits, pay and other terms and conditions of employment. The School may refuse to reinstate an employee if the reason is unrelated to taking a Donor Leave. A Donor Leave is not permitted to be taken concurrently with an FMLA/CFRA Leave.

Returning From Leave of Absence

Employees cannot return from a medical leave of absence without first providing a sufficient doctor's return to work authorization.

When business considerations require, the job of an employee on leave may be filled by a temporary or regular replacement. An employee should give the Executive Director thirty (30) days' notice before returning from leave. Whenever the School is notified of an employee's intent to return from a leave, the School will attempt to place the employee in his former position or in a comparable position with regard to salary and other terms and conditions for which the employee is qualified. However, re-employment cannot always be guaranteed. If you need further information regarding Leaves of Absence, be sure to consult the Director.

For this reason, employees are expected to conduct their personal affairs in a manner that does not adversely affect the School or its own integrity, reputation, or credibility. Illegal or immoral off-duty conduct by an employee that adversely affects the School's legitimate business interests or the employee's ability to perform his or her work will not be tolerated.

While employed by the School, employees are expected to devote their energies to their jobs with the School. For this reason, second jobs are strongly discouraged. The following types of additional employment elsewhere are strictly prohibited:

The file review includes the collection of school property, including keys and school equipment, and completion of applicable exit-forms. Upon successful completion of the employee file review and collection of school property, the school Director notifies ExEd to issue the employee's final check.

When you terminate your at-will employment, you will be entitled to all earned but unused vacation pay. If you are participating in the medical and/or dental plan, you will be provided information on your rights under COBRA.

INTERNAL COMPLAINT REVIEW

The purpose of the “Internal Complaint Review Policy” is to afford all employees of the School the opportunity to seek internal resolution of their work-related concerns. All employees have free access to the School Director, Executive Director or Board of Directors to express their work-related concerns.

Specific complaints of unlawful harassment are addressed under the School’s “Policy Against Unlawful Harassment.”

Internal Complaints (Complaints by Employees Against Employees)

This section of the policy is for use when a School employee raises a complaint or concern about a co-worker.

If reasonably possible, internal complaints should be resolved at the lowest possible level, including attempts to discuss/resolve concerns with the immediate colleague of concern first and then as a second option, with the immediate supervisor or School Director if the concern remains unresolved. In the event the concern persists, an effort will be made to resolve the concern informally through a meeting and discussion with the School Director and Executive Director. However, in the event an informal resolution is not achieved and/or is not appropriate, the following steps will be followed by the Executive Director or designee in an attempt to resolve all internal (employee(s) against employee(s)) complaints or concerns:

1. The complainant will bring the matter to the attention of the School Director as soon as possible after attempts to resolve the complaint with the immediate supervisor have failed or if not appropriate; and
2. The complainant will reduce his or her complaint to writing, indicating all known and relevant facts. The Director or Executive Director will then investigate the facts and provide a solution or explanation;
3. If the complaint is about the Executive Director, the complainant may file his or her complaint in a signed writing to the President of the Board of Directors of the School, who will then confer with the Board and may conduct a fact-finding or authorize a third party investigator on behalf of the Board. The Board President or investigator will report his or her findings to the Board for review and action, if necessary.

This policy cannot guarantee that every problem will be resolved to the employee’s satisfaction. However, the School values each employee’s ability to express concerns and the need for resolution without fear of adverse consequence to employment.

WATTS LEARNING CENTER

Policy for Complaints Against Employees (Complaints by Third Parties Against Employees)

This section of the policy is for use when a non-employee raises a complaint or concern about a School employee.

If reasonably possible, internal complaints should be resolved at the lowest possible level, including attempts to discuss/resolve concerns with the immediate school employee first, and immediate supervisor or School Director second if the concern is unresolved. In the event the concern persists, an effort will be made to resolve the concern informally through a meeting and discussion with the School Director and Executive Director.

If complaints cannot be resolved informally, complainants may file a written complaint to the Director, to the Executive Director (if the complaint is not resolved with the Director or if the complaint is regarding the Director), or to the Board President (if the complaint concerns the Executive Director) as soon as possible after the events that give rise to the complainant's concerns. The written complaint should set forth in detail the factual basis for the complaint.

In processing the complaint, the Executive Director or designee shall abide by the following process:

1. The Director or Executive Director shall use his or her best efforts to talk with the parties identified in the complaint and to ascertain the facts relating to the complaint.
2. In the event that the Director or Executive Director finds that a complaint against an employee is valid, the Director or Executive Director may take appropriate disciplinary action against the employee. As appropriate, the Director or Executive Director may also simply counsel/reprimand employees as to their conduct without initiating formal disciplinary measures.
3. The Executive Director's decision relating to the complaint shall be final unless it is appealed to the Board of Directors of the School. The decision of the Board of Directors shall be final.

General Requirements

1. Confidentiality: All complainants will be notified that information obtained from the complainants and thereafter gathered will be maintained in a manner as confidential as possible, but in some circumstances absolute confidentiality cannot be assured.
2. Non-Retaliation: All complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.
