Summer Science Camps

Now with more camps for
PreK-2nd grade!

DISCOVER • THINK • LEARN

YSI is a non-profit organization that has been providing hands-on science learning since 1953

YSI Summer Science Camps are held at Vasona Lake County Park, Los Gatos

Each YSI camp incorporates science, hiking, games, arts & crafts, and live animal programs

We offer early morning drop-off and extended day options to accommodate your schedule

Our unique camp content is designed to encourage and foster social development

Half and extended day camps for Pre-K to 6th grade
June through August

Visit us at: www.youthscience.org

This is not a Union School District sponsored event.

Operated in partnership with the Santa Clara County Parks & Recreation Department.
YSI is a 501(c)(3) non-profit organization. To donate, please visit www.youthscience.org/giving
