

Bautista Creek Elementary School

Mission Statement

Our mission is to educate each child to their fullest potential in a safe and caring environment, and to have each student contribute positively to our society.

Vision Statement

Bautista Creek Elementary School will continuously operate as a fully implemented Professional Learning Community. The Bautista Creek environment will be welcoming, clean, safe, and student centered. Students will attend school regularly, be motivated, and engaged in learning. Students will model positive behavior, appropriate interpersonal skills, and respect the diversity of the school community.

Bautista Creek will be a center of community involvement and develop ongoing partnerships with parents and community sponsors. There will be close collaboration among all stakeholders. Training will be provided to stakeholders to support the learning community.

Bautista Creek students will be taught using the California Common Core Standards that are consistent and coordinated across the nation. Teachers will collaborate and use appropriate standards based materials. Student learning will be constantly monitored with the use of standards based assessments. Bautista Creek will have a systematic process for differentiated learning to support students. Bautista Creek will provide instruction that will prepare students for college and career readiness.

Beliefs

Bautista Creek Elementary School staff believes:

- Effective education responds to a student's cultural and ethnic background
- Learning is a life long process
- All students can learn and become responsible, productive, caring citizens
- Each student has the right to a quality education
- High expectations results in higher achievement
- We have the responsibility to meet the needs of children in a changing society
- Quality education requires a competent and accountable staff, parent and community involvement
- Students and staff are entitled to a safe and secure environment
