

StudentAccess

Dear Parents,

Davidson County Schools and the Davidson County Public Library are partnering to support students' ongoing education. We share the belief that a love of books and learning is a strong foundation for student success and we are working together to provide every Davidson County Schools student access to books and resources found at their public library.

Beginning January 2018, all Davidson County Schools students will be able to use their Student ID number to access and borrow public library books and resources with parental consent. We are calling this initiative **StudentAccess**.

Question: *What can a student do with a student ID account?*

Answer: Student ID accounts allow students to borrow e-resources and access library databases just like any other Davidson County Public Library card. Students can also borrow up to 10 print or audio books from the Davidson County Public Library collection.

Question: *How will a student use their student ID account?*

Answer: Students will use their school ID number and PIN to borrow books or access the library's services like e-books and online research. **The default PIN is the last 4 digits of the student ID number.**

Question: *Is the student account free?*

Answer: Yes, the student account is free. There are **no overdue fines for student accounts, but students are responsible for any fees on lost or damaged books.**

Question: *How do I sign my child up for a student ID account?*

Answer: **You need to take action to get a student ID account for your child.** All Davidson County Schools students from pre-kindergarten to grade 12 will be enrolled in this program with parental permission. **See the back of this document for an opt-in form you can sign and return to your child's school.**

Question: *What if I don't want my child to have a student ID account?*

Answer: If you do not want your child to have access to library materials, you may opt out. **Do not return the form on the next page.** Be aware that students who opt out of StudentAccess will not be able to participate in classroom use of library resources unless they have a Davidson County Public Library card and know the full card number and PIN.

For more information, visit your local library.

This project was made possible in part by the Institute of Museum and Library Services and the State Library of North Carolina.

StudentAccess

StudentAccess Parent Opt-In Form

If you **do not want** your child to participate in StudentAccess in the 2017-2018 academic year, then you do not need to do anything. **Do not fill out the form.** Your child will not be enrolled.

If you **do want** your child to participate, then please complete this parent opt-in form and return it to your school in order for your child to be enrolled beginning in January 2018. **Please fill out the form.**

Child's Name (Please print)

School

Grade

Student ID

Phone Number

I understand by signing this opt-in form that my child will have a student ID Library account and will be able to participate in classroom use of library resources.
