

Accessing Report Cards in Home Access Center (HAC)

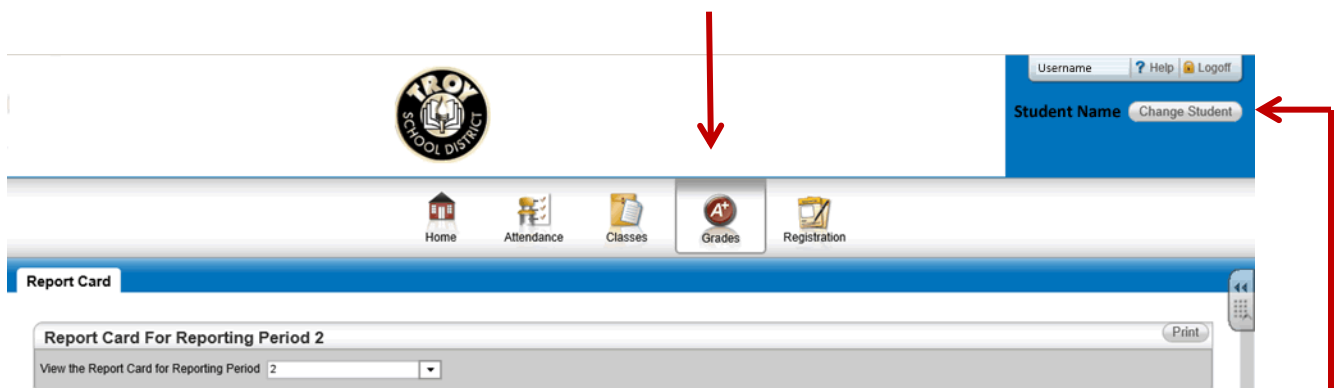

From your school's homepage, select the HAC button on the left side of the quick access area.

Login using the User Name and Password you selected when you set up your account.

Click the Grades icon, and scroll down the page to see all your student's grades.

If you would like to view grades for your other student(s), click the Change Student button, select the student, and click the Submit button.
