

Congratulations West Wilkes Community,

Your BlackHawk attends one of a select few high schools in the state that exceeded expected student growth during the 2016- 2017 school year. This is a result of a ton of hard work by students and teachers.

Our goal this year is to have the highest student growth of any high school in the state of North Carolina. We can achieve this goal with your support of academic excellence. Please make sure your BlackHawk is working to do their best each and every day. Students should complete all assignments, study daily, do extra reading, and attend SMARTLunch study/tutoring sessions regularly.

Let's all work together to be the BEST in the State!

Monday, December 4 - Booster Club Meeting - Please join us in the media center at 7:00 for this important booster club meeting.
