**Aspire. Achieve. Succeed. Dream**

February 23, 2018

Dear Parents and Guardians,

Effective Monday, February 26, 2018 new security measures will be implemented at the Altoona Area Junior High School and the Altoona Area High School.

Access to the buildings will be limited to one point of entry.

Altoona Area Junior High School visitors will enter using the 7<sup>th</sup> Avenue Main Office door and Altoona Area High School visitors will enter using the 14<sup>th</sup> Street entrance located underneath the bridge.

All visitors and guests will be required to pass through a metal detector scan upon entrance. A valid photo ID must be presented to the security greeter. A visitor badge will be issued and visitors will be escorted to their destination within the building.

We appreciate your cooperation and understanding as we implement these new procedures. We will continue to be vigilant in our efforts to maintain a safe and secure environment for our students, staff, and faculty.
