Youth Policy Institute (YPI)

YPI is an afterschool program that we are happy to have back. Starting the week of September 5, 2017 YPI will be officially at our school site. YPI will be able to provide students with more options for afterschool clubs and programs such as Drivers Ed and cooking classes. We will be handing out program packets soon if you are interested in registering your student. If you have questions or concerns please go ahead and reach out to Cynthia Nava, our site coordinator, at mohanhs@ypiusa.org.
