

Dear JISD Athletic Parents:

Jacksonville ISD in association with Christus Trinity Mother Frances, will be hosting our annual pre-participation physical screening event. There will be changes to this year's exams. The hospital administration and physicians at Christus Trinity Mother Frances have decided that the current 6<sup>th</sup> and 7<sup>th</sup> grade student-athletes should receive a more thorough evaluation from their primary care physician. This is in order to ensure that student-athletes who are starting their athletic careers are receiving the best possible assessment and evaluation of their health. Prevention of some conditions is paramount when working with young adults and a more in depth exam by a primary care provider will facilitate this.

The CTMFHS providers will still be offering a pre-participation physical screening to all incoming high school students (current 8<sup>th</sup>-11<sup>th</sup> grade).

We will be hosting our pre-participation physical screening event on Friday April 20<sup>th</sup>, 2018 at Jacksonville High School during the school day. Current 8<sup>th</sup> graders will be bussed to the event from the Jacksonville Middle School; this will not affect the 8<sup>th</sup> grade student drop-off or pickups routines.

Additionally, JISD will continue to utilize RankOne as our form completion platform. Forms can be completed at <https://jacksonvilleisd.rankonesport.com>. You will need to know your students ID/lunch number in order to register if you do not already have an account.

**In order to participate in the JISD pre-participation physical screening event:**

- Students must be entering the 9<sup>th</sup>-12 grade during the 2018-2019 school year
- Students MUST have the attached physical paperwork completed honestly, accurately, and turned into a COACH or Mrs. Deena (please don't give it to the office or teachers) by April 13 so the forms can be reviewed and sent back out if any more information is required.
- If you answer "Yes" to questions 3, 5, or 18 on the medical history portion, you may need a more in-depth screening and should see your primary care physician for your physical.
- All RankOne forms must be completed by April 13.

The UIL requires pre-participation exams to be completed before students are allowed to participate in any athletics next year. If you are not getting your pre-participation physical screening with JISD on April 20th please have your physical completed by your primary care provider. Your completed physical can be given to any coach or Mrs. Deena at the Jacksonville High School Field House (please don't give it to the office or teachers).

If you have any other question or concerns, please do not hesitate to contact me,

It is understood that even though protective equipment is worn by the athlete, whenever needed, the possibility of an accident still remains. Neither the University Interscholastic League nor the school assumes any responsibility in case an accident occurs.

If, in the judgment of any representative of the school, the above student should need immediate care and treatment as a result of any injury or sickness, I do hereby request, authorize, and consent to such care and treatment as may be given said student by any physician, athletic trainer, nurse or school representative. I do hereby agree to indemnify and save harmless the school and any school or hospital representative from any claim by any person on account of such care and treatment of said student.

If, between this date and the beginning of athletic competition, any illness or injury should occur that may limit this student's participation, I agree to notify the school authorities of such illness or injury.

**I hereby state that, to the best of my knowledge, my answers to the above questions are complete and correct. Failure to provide truthful responses could subject the student in question to penalties determined by the UIL**
