High School Testing

Beginning in the 2015-16 school year, TNReady will become the state's new and improved TCAP test for English language arts and math in grades 3-11. It will provide us with more and better information about our students' progress. For more information see the TN State Department of ED. <http://www.tennessee.gov/education/assessment/TNReady.shtml>

Middle School Testing

TNReady tests- Beginning in the 2015-16 school year, TNReady will become the state's new and improved TCAP test for English language arts and math in grades 3-11. TNReady will measure student understanding of our current state standards in English language arts and math. The new TNReady TCAP tests are designed to assess true student understanding and not just basic memorization and test-taking skills.
