

Cafeteria News!

2017-2018

Access our MENUS from our Food & Wellness Website Sign Up for our "Go Green Menu" option and receive the menus each month by e-mail!

The Food and Nutrition staff is made up of a mix of community members and professionals that strive to offer healthy and delicious meals and snacks, providing students with the brain food to maximize their learning day. Thank you for participating in our program!

Manage your Student's lunch account Online!!!

Making a deposit online is easy and convenient. **All students have an account.** Whether your student places money on their account or not, or is eligible for the free/ or reduced meal program they will need to punch in their PIN to complete the sale. Money on account= faster lines!!

Note: Student PIN numbers do not change at a new school. They will be the same for their entire SPUSD career. Account balances will be rolled over each school year.

REGISTER YOUR STUDENTS ONLINE:

- **Even if you do not pre-pay online you can still manage your child's account, and make cash or check deposits at the site.**
- You have access to your student's transaction report for any purchases made at POS venues.
- You can activate a "**Low Balance Alert**" and receive an e-mail when balances are low. You are also responsible to deactivate to discontinue the service. Allow **24 hours** for deposits to be posted. Setting the alert and making timely deposits will avoid any disruptions of service.
- Visit: www.myschoolbucks.com to register. Have your student's 6-digit PIN number ready (6-digit permanent Student ID#). For more information visit our **Food and Wellness Website** from your school's website under Students/ Food & Wellness. Review information under the "Prepayments" AND "Menus" tabs. (...and don't forget your password!).
- A **Bonus Meal** (Free Meal) is available for online payments of \$50 or more **only** when the balance is \$50 or more **after** the deposit, per child. The free meal offsets the transaction fee.

2017-2018 MEAL APPLICATIONS

are available at all sites, and on our website (home page).

You may qualify for free or reduced price lunches for your children.

This not only benefits you, but can provide additional educational dollars to the district! 2016-2017 eligibility **will expire** on September 26, 2017, so...

You Must Re-apply Every Year.

Please make sure the application is dated 2017-2018. Drop off or mail completed application to the district offices (1020 El Centro Street) or your school site,
Attn: Food and Nutrition.
