Aloha and Happy Thanksgiving,

This season we have much to be thankful for. We are grateful that Kalāheo High School continues to remain strong in our mission to graduate students who are college and career ready, but we could not do this without our dedicated and caring faculty and staff and what they do every day for our school.

We would like to take a moment to appreciate our Kalāheo student athletes and their coaches. Their dedication and commitment to "honor the game" in their practice and play has resulted in success both on the field and on the court as well as in the classroom. Mustang pride is evident in every athlete - and we appreciate the pride our student athletes bring to Kalāheo High School.

As we move into our second quarter of the school year let's acknowledge and appreciate the commitment of our teachers as they focus on student learning. Although standard test scores are only one measure of a school's effectiveness, we are proud of the fact that Kalāheo students achieved the highest average scaled score for high school juniors on the Smarter Balanced Assessment for English language arts in 2017. Also, our Kalāheo Biology students achieved the highest score on the Biology End-Of-Course (EOC) Exam.

We also appreciate the involvement of our parents and guardians in the education of their children. We hope to see all of our parents, families, and community members attending our school events and activities and offering assistance when you are able to – we need and appreciate your kokua and support ☺️

Mahalo,

Mrs. Susan Hummel, Principal

Elementary Leaders Become Heroes

On August 27-30, Kalaheo High and Kailua Intermediate School student council leaders hosted the annual Kalaheo Complex Leadership Camp. Over 80 elementary school leaders and advisors attended the leadership training at YMCA Camp Erdman.

This year’s theme was “The Hero in You,” encouraging students to be Humble, Empathetic, Responsible, and Open-minded. These characteristics are important to becoming effective leaders on our campuses.

Intermediate and high school leaders facilitated group activities, workshops, and discussions. Participants learned how to run meetings, plan activities, improve communication and develop teamwork.

Facilitators from Kalaheo included Denton Allard, Serena Brown, Re’Anna Johnson, Jamie Lemon, Samuel Tarumoto, and Tia Vernon. Along with leaders from Kailua Intermediate, facilitators attended two days of training to prepare for the camp.

Elementary school participants came from Aikahi, Kailua, Kainalu, Kaohao, and Mokapu Elementary Schools.

Remembering Christine Snyder on 9/11

On morning of September 11, students remembered Kalaheo alumnus Christine Snyder (c/o 1987) during our annual 9-11 Remembrance Ceremony. Reflections about the tragic events that took place that day and a biography of Snyder were read to help students remember that day. A moment of silence was observed and flowers were placed at the memorial in front of A-building. The ceremony ended with an inspirational reading.
