TESTING AND PROJECT CALENDAR

Objective

In order to ensure that students are not faced with several tests on one day and projects due on one day, our teachers have created the following calendar in the best interest of our students. This means that departments will only test and have projects due on the days below.

	MON	TUES	WED	THUR	FRI
CLASSES	C	C	A	B	C
MINUTES	46	46	85	85	46
SUBJECTS	ELA	ELA	CTE	CTE	*SCI
	LOTE	LOTE	SS	SS	FA
			Math	Math	

*Science will conduct labs in class on Wednesdays and Thursdays.

Anticipated Outcomes

- Tests and projects will measure learning in their respective subject area
- Students will have adequate time to prepare for tests
- Reduction in test anxiety
