

**I understand the following about College Credit Plus**

- Students will be ultimately responsible to register/withdraw for any college classes not taken in the included Mt. Healthy offering listed by posted deadlines.
- Once registered for classes students must give a copy of your registration to your high school counselor
- If you would like your college classes included in Quarter Honor Roll, GPA etc. it will be your responsibility to give a print out of your grades to your High School Counselor. (Many colleges now send us these directly but often after honor roll and other ranking decisions are announced.)
- Courses taken under College Credit Plus will count towards a student's high school and college GPA/ Honor Roll (2<sup>nd</sup> and 4<sup>th</sup> quarters)
- Students will not be responsible for the cost of textbooks but may be required to pick up textbooks from the college
- Students will be responsible for any transportation and transportation related cost.
- I am familiar with all related benefit and risk information presented at the Mt. Healthy College Credit Plus Informational Meeting and/or the Ohio high education website at [https://www.ohiohighered.org/content/college\\_credit\\_plus\\_info\\_students\\_families](https://www.ohiohighered.org/content/college_credit_plus_info_students_families)
