Dear Parents of BBJH 8<sup>th</sup> graders and soon-to-be Magnolia High School Bulldogs:

Magnolia High School will be hosting Fish Bowl on March 27th. This event will begin in the high school cafeteria at 6:30 p.m. – this will give you an opportunity to visit booths, explore the various clubs and organizations offered, and meet with teacher and student groups. At 7 p.m., there will be a presentation in the auditorium, followed by an opportunity for questions and answers.

We will be handing out a packet of information that will assist you and your student with their course selection sheet. We will also include information regarding credits, schedule changes, AP/IB/Dual, and lots more. For more detailed information on each course, please refer to our online course catalog on Magnolia High School's website, listed under Academics. If you would like to discuss this process further or need additional clarification, you may contact the Academic Advisers at the high school to schedule an appointment.

The counselors and advisors will be on the campus of BBJH on April 4 (and April 5 if necessary), through the Career Explorations classes. Students will be working on their 4-year plans and course requests, which will be submitted after meeting with the high school personnel. If your student took Career Explorations in the fall, they have already completed their plan.
