

PATRIOT PROUD FOR THE 2016-2017 SCHOOL YEAR!

Dear Booster Club Officers,

I would like to officially welcome you to our PATS Booster group and let you know that we appreciate your willingness to volunteer as an officer for your specific booster club. We are so fortunate to have our children at Liberty High School. There is such a great energy and enthusiasm on campus this year with students and staff and we need our Booster group to join them on that path!

Our PATS Board oversees and supports the fundraising efforts of the individual sports and activities booster clubs on campus. We welcome the opportunity to help your group with ideas for fundraising or events. We do oversee and approve all of your group events, activities, and the processing of all money related to your individual booster clubs.

The main PATS group provides funds for campus activities, insurance, PATS scholarships, staff appreciation, staff luncheons and other school improvement projects. Unlike the individual booster club groups, PATS does not typically do specific fundraisers. We depend on our PATS Memberships to meet most of our budget needs, but we need your help! We really need every booster club on campus to encourage all of your parents to become PATS Members. We increased our Membership levels last year to include a MVP Level that provides 2 tickets for all regular season home games for any sport. We need your help to get the word out about our Membership levels and encourage participation. Being a PATS member for 2 or more years also qualifies your student for a PATS scholarship at the end of their senior year. Thank you in advance for your support of our Membership Fundraiser!

Included in your binders are the PATS Bylaws and Guidelines. The PATS Guidelines outline the procedures needed for group to submit for an Event Request (fundraiser), submit a Check Request (check from your individual account), and the timing and process to turn in your monthly meeting minutes. There is also a directory of all PATS officers and the individual group officers should you need to contact someone for questions or assistance.

Thank you again for your willingness to serve Liberty High School. This school provides a great environment for our students to grow and excel in their academic and extracurricular activities. We are here to help your student and group succeed!

Sincerely,

Jodi Fringer
PATS Booster President
