**Word Problem:** Feel free to write a fun, creative answer.

It is a Saturday morning in January at 6:00am. The Mater Dei Academic Decathlon competition is two hours away. Academic Decathlon is coming toward you at 60 miles per hour from the North. From the East your favorite cousin's 16th birthday party is approaching, and careening toward you from the South is the monthly gathering of your favorite club. What do you do? Solve for M, D, A, and D.
