Notes:

- Are we supposed to complete the rosters for Bear Lunch during lunch time?
 - How do we handle absences? Message Kevin/Sandy still?
 - We are creating more work on all of us by having to know where students are at all times.
 - We have to offer 1 study hall, 1 enrichment, 2 tutoring, and 1 PLC
 - We have to hold students accountable that are not attending enrichments/tutoring.
 - Man power is where we are really struggling...not enough teachers to cover all the students?
- Can we offer the senior lunch every day for seniors? Brought to you by the history department.
- Have departments send in what they're planning on offering for enrichment! This is a MUST DO!
