Lice

# Technology & Student Safety

## Cyber 5 of Internet Safety

1. Never share personal information (passwords, contact information)
2. Don't download alone or click on pop-ups
3. Don't respond to a Bully
4. Copy & Paste it, Save it, & Print
5. If you feel uncomfortable with what you see, tell an adult immediately

# Bullying (Jenny/Sallie)

- 1) Rude- Inadvertently saying or doing something that hurts someone else.
- 2) Mean- Purposefully saying or doing something to hurt someone once, usually based on angry feelings.
- 3) Bullying- Intentionally aggressive behavior, repeated over time, that involves an imbalance of power. Bullying has the 3 P's- Purpose, Pattern, Power.

[How to Stop a Bully](#)

"Bullying is a conscious choice to be cruel. Children who bully lack empathy- the ability to know what it feels like to be in someone else's shoes and to have compassion for others' pain and suffering." -Trudy Ludwig

# Our Response to Bullying

1. Team Meeting
2. Behavior Tracking Form
3. Daily Monitoring & I.C. entries
4. Consequences
5. Counseling/SEL Interventionist [What to Do: Parents](#)
6. Groups
7. Plan Assessment
8. SRO Involvement
9. Superintendent Review

# Suicide (Sallie)

When a threat to self or others is made. All comments are taken seriously.

- Student meets with Mrs. Kautter or other members of the school that are involved with the child.

- A threat/suicide screen is conducted.

- Parents are contacted.

- Decision is made whether a student poses a threat/risk.

- Plan is made to address concern if needed.

# Lockdown & Evacuation (Jenny)
