

April Community Service
Project
Pasta for Pennies

Let's all synergize together to collect
coins benefiting the Leukemia and Lymphoma
Society!

Martell's school-wide coin competition will
take place from April 16th - 27th. The class
that raises the most money for the Leukemia
and Lymphoma Society will win a pasta lunch
from Olive Garden!

Thank you in advance for your participation
in this community service project. We look
forward to raising money for such a great
cause!
