

Los Angeles International Charter High School

June 9, 2016

Dear Parents,

I am writing to you today to share important information regarding the school's Board of Directors and administration.

Board of Directors

LAICHS is governed by a board of directors that holds the legal and financial responsibility for the School. Currently, the board is comprised of eight members, including two student members. The School's bylaws state that the board shall have between five and ten members. All board members serve 1-year terms.

At this time, the Board is interested in increasing the number of members to ten. Parents are encouraged to nominate themselves and or community members. All board members must submit a resume and a completed Form 700 as well as participate in Brown Act training before being elected to the board.

If you are interested in being a board member, please send your cover letter and resume to me at e_razo369@yahoo.com.

School Administration

The Board of Directors is in the process of receiving and evaluating proposals from search firms to assist in the recruitment and hiring of a Principal and permanent Executive Director. Dr. Sabrina Bow, the Interim Executive Director, will be serving the School through June 30, 2016.

The selection process for the new Executive Director and Principal will include opportunities for stakeholder involvement—including parents and students, and staff. We will keep you informed of the search and selection process and advise you of the dates and times for stakeholder meetings.

Thank you for all you do for the LAICHS community.

With gratitude,

Erica Razo
