Spring Weather Dress

With the first real signs of spring and warm weather fast approaching, students want to wear shorts and other warm weather clothing. For your convenience, the student dress advice is printed below. Thank you for reviewing this information with your child.

We want students to be as comfortable as possible while attending school, yet we request that their clothing be appropriate for a school environment. Please follow these guidelines in helping your child dress appropriately for school.

- Students should not wear short shorts, cutoffs, or high cut athletic shorts.
- Students (boys and girls) should not wear halter tops or midriff tops. Spaghetti-strap tops should also not be worn.
- Clothing that advertises alcohol, cigarettes, or that has inappropriate slogans or language is not to be worn to school.
- Sandals, flip flops, clogs, roller shoes, and high heels are discouraged since they do not offer sufficient protection for the feet while children are playing at recess. Tennis shoes are required for gym. These should have white or light colored soles since dark soles mark the surface of the gym floor.

Thank you for monitoring your child's attire.

NEED TO KNOW INFORMATION

Hamilton Parking Information

Please do not park on the grass between the parking lot and Northfield Parkway. The reasons are:

- It is illegal to drive across a sidewalk where there is no entrance to the street.
- Cars parked on the grass impair the field of view for cars pulling out of the parking lot on to Northfield Parkway.
- When the ground is soft, tire tracks and ruts are destroying the grass.

Hamilton Attendance Line

Please leave a message on the Absence Line, **248-823-4401**, if your child will not be in school for any reason or will be late. This is a 24-hour recording system. When reporting an absence, please leave the following information:

- Child's first and last name.
- Child's grade and teacher.
- Day and date of absence.

Reason for absence/nature of illness.

Homework request should be emailed to the classroom teacher.

Please follow your classroom teacher's homework policy.

Medication

There is a strict policy regarding dispensing of medication in public schools. School personnel are not allowed to give medication to students without a doctor's written authorization. **This also includes over the counter medicines and cough drops.** The medication **MUST** be in a bottle from the pharmacy with the name of the medication and dosage given. The "Authorization for Medication" form is available in the school office and on the website.
