Parents and children using Kid Connection services agree to the following:

1. We have received the Parent Handbook and understand it contains program policies, rules of discipline, description of services, payment expectations, and complaint procedures.
2. We understand all children, without exception, must be able to maintain good behavior to stay in the Child Care program. We also understand that we will be expected to work with and cooperate with the Child Care staff to maintain good behavior. We further understand that Kid Connection has the right to immediately drop any child whose behavior endangers them, other children and/or Child Care staff.
3. We understand that Child Care fees are based upon the contract, not on days of attendance. We further understand that Kid Connection reserves the right to drop a child from the program at any time for any unpaid fees.
4. We understand that our child's photographs may be taken at any time during Kid Connection hours. Photographs will only be used for projects, publicity, illustration, advertising, and Web content.
5. Separate contracts are needed for conference days and during winter, spring, and summer vacations.
