**SRVHS Electronic (e-mail) Publications:**

**Weekly eBulletin:** The eBulletin contains a wealth of information for parents and students, ranging from the practical – early dismissal days, early arrival days, “No school” days – to academics, sports, performing arts, activities, clubs, college-related information and parent involvement. The eBulletin publishes opportunities available to students that you as a parent may not be aware of, giving you the opportunity to encourage your student to take advantage and enhance his or her high school experience.

**eLINK Newsletter:** Sent out monthly by the SRVHS PTSA, it contains a mix of information from administration, school groups, parent organizations and the community. It includes a monthly message from the principal, assistant principals and counseling, action items for all grade levels from the Career Center, an update from each parent organization, a calendar of upcoming activities and more.

**Principal's Letters/Informational Updates:** Sent throughout the school year on an as-needed basis. You may receive occasional letters from the Principal, the Administration, or your student's Class.

**A note about e-mail from the school district (SRVUSD):**

The school district has developed a district Critical Information List of parent e-mail addresses using the e-mail address you provide on your **emergency card** at Wolf Pack Days (Aug). If your student currently attends an SRVUSD school, your e-mail is already part of this list. This district list that will be used to notify parents in case of a district-wide emergency and **is separate from the eCommunications list used by SRVHS**. This district list contains a sub-list that subscribes your e-mail address to receive district-wide school mailings from such approved organizations as the San Ramon Valley Council of PTAs. You may choose to remove yourself from the sub-lists at any time following the directions on the mailing.
