

Outdoor Activities and Weather – Guidelines We Will Follow

All school employees and volunteers in school sponsored activities will adhere to the following procedures during any outdoor activities to help prevent injuries in hot weather. Please note we will take into consideration all weather related indicators before we make a decision regarding allowing outdoor activities.

Temperature

- Below 95 Degrees Activities may be conducted outdoors at the discretion of the principal.
- 96 Degrees and Above **NO OUTDOOR ACTIVITIES**

Heat Index

- Below 100 Degrees Activities may be conducted outdoors at the discretion of the principal.
- 100 Degrees and Above **NO OUTDOOR ACTIVITIES**

Air Quality

- Green 0-50 Activities may be conducted outside
- Yellow 51-100 Activities may be conducted outside
- Orange 100-150 Activities may be conducted outside, but can be altered at any time at the discretion of the principal, school nurse, or student health coordinator.
- Red 151-200 **NO OUTDOOR ACTIVITIES**
- Purple 201-300 **NO OUTDOOR ACTIVITIES**

Water will be available in unlimited quantities at all times for students, faculty and staff.

If your child is overly sensitive to excessive heat, or suffers from a medical condition that can be intensified in the heat please be sure the school has all the necessary paperwork and information.
