

Directions for Submitting Assignments to Dropbox

There are two ways to access the assignment dropbox.

1. You can click on the icon for dropbox and then choose the CORRECT dropbox to submit to.

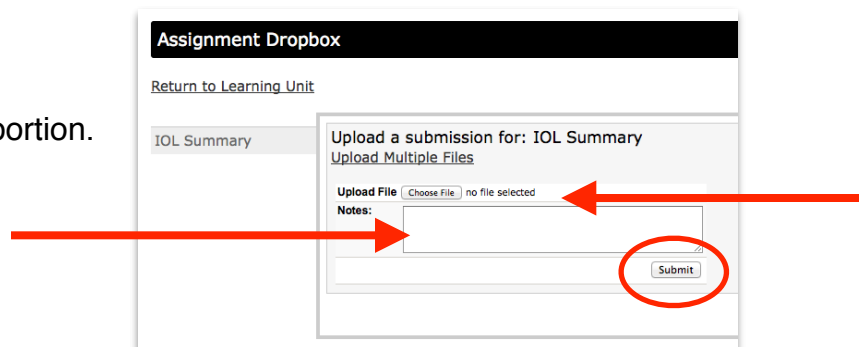

2. You can access the dropbox within the learning unit under the lesson.

When you are in the Assignment Dropbox page you can submit your assignment

by uploading a document that you have saved on your computer or

you can type in the notes portion.

Be sure to click Submit when you are done!
