

Eating and Drinking in Class Policy

October 14, 2016

Dear Students and Parents,

Due to the recent discovery of student abusing the class environment with eating snacks and drinking in class; we will no longer allow students to eat or drink while inside of the class. Students may have water only, in a clear water bottle. Any snacks or drinks other than water will only be permitted during break and lunch. Students violating this policy will receive consequences. This is a non-negotiable policy.

It is the goal of the LAICHS community to keep our schools safe, clean, bully free, drug/alcohol free and create a culture of pride and respect for our campus and community.

Thank you for your cooperation and support.

Angie R. Sims, Executive Director
