August 8, 2017

Dear Parents and Students,

I hope that you have had a most relaxing and fun-filled summer. All of us at Fisher are very excited to welcome you soon.

Our Fisher team will spend professional development time in content-specific areas next week, and will revisit our mission and vision for fostering student attainment of the developmental assets based upon our recent Project Cornerstone survey results. I plan to share the outcomes of our planning time with you at **Back to School Night** on Thursday, August 31, 2017. **Save the date!**

Our **Welcome Packet** will continue to be managed electronically. To access this information, please visit our school website at www.rjfisher.lgusd.org, where you will find a wealth of critical information to review. Please reference each of the **School Document** links to view helpful resources, including bell schedules, calendars, and such.

You should have received your registration update e-mail from the district. If you did not receive your registration update e-mail on August 1st, please contact the Fisher office at 335-2300, as we want to be sure we have accurate information on file for all families.

Our Home and School Club will be hosting a **Welcome Coffee** and **Principal's Chat** on Thursday, August 24th at 8:30 a.m. in our Fisher MPR. I sincerely hope you'll plan to stop by to learn more about how you can both support and connect with our Fisher parent community. I will also be providing updated information on our school-wide goals and initiatives.

I look forward to the coming year with renewed excitement, a commitment to continued innovation, and gratitude for the contributions of all members of our school community.

Sincerely,

Lisa Fraser
Principal
