AUGUST 2017

Dear Extended Day Parents,

My goal is to have Penryn Extended Day Care be a fun, comfortable environment that encourages mental and social growth for the children during their before and after school stay. In order to do that, basic rules have been reviewed with all of the children. Second only to safety, my big emphasis is to be kind and considerate to each other and to speak to each other with empathy. I encourage you to review these expectations with your children:

Be Safe

HANDS AND FEET TO SELF –If feeling angry or overwhelmed, try PAWS, get an adult or send a friend to get an adult for help with situation

Stay in eyesight

Swings are for swinging

You can play ½ way up the hill (by play structure)

Use the stairs when leaving the playground

Give the sport teams their room, stay with Extended

If in the class room, use walking feet

Be Responsible

If you have homework, complete it during homework time

Use an inside/appropriate voice in the classroom

Hang your backpack or put it away out of the walk way

Throw away your garbage and clean up after snack

Report, don't tattle, and use PAWS

Take of you, that's your job

Take only what is yours, if you're not sure, ask

Put any toys/equipment away that you got out, before you leave

Be Respectful/Kind

Speak using a kind voice, with empathy, how you would like to be spoken to

Do not instigate, antagonize, or tease

Invite others to join in

Be considerate of personal space

Explain if you need a minute, and when you will be back

Same rules apply to siblings

Thank you for sharing your children with me and for your continuous support.

Sincerely,

Pam LaBar
