

Parent Access to GO Math Online Resources

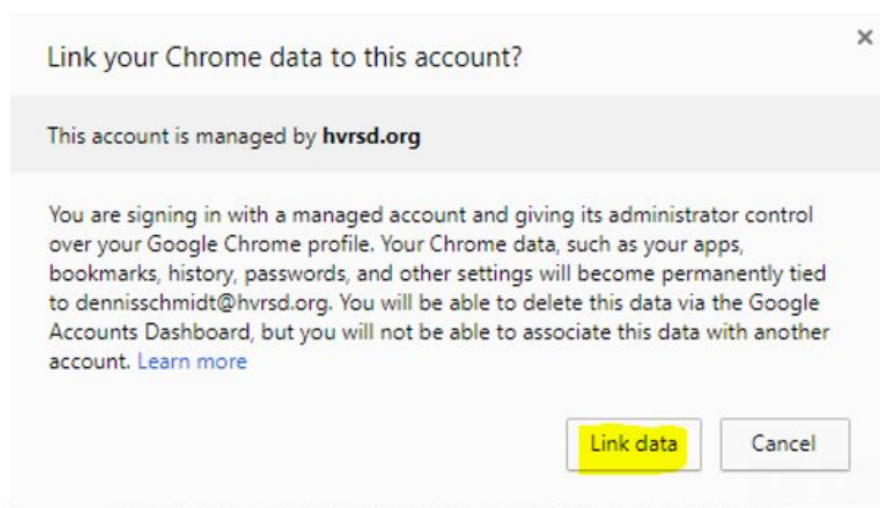

1. Open a Google Chrome Browser on your computer.

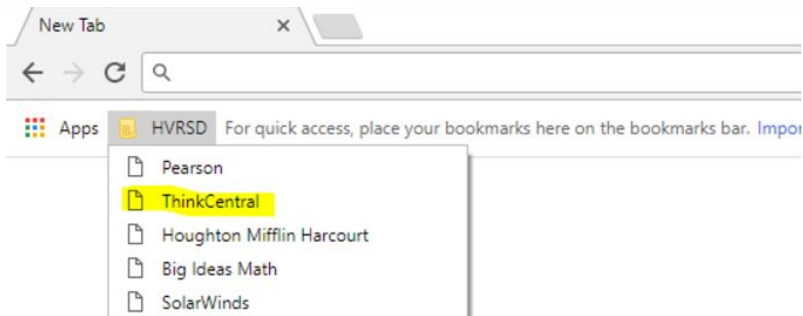

2. Click on the small circular “person” icon on the top, right hand corner of the screen. Click “Sign in to Chrome” as per the below screenshot. Enter your child’s HVRSD Google username/ password. If the username or password are not working, please submit a Help Desk request to helpdesk@hvrSD.org.

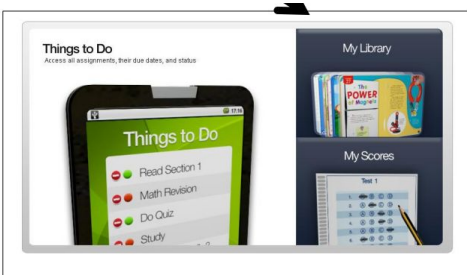

3. Click “Link data”

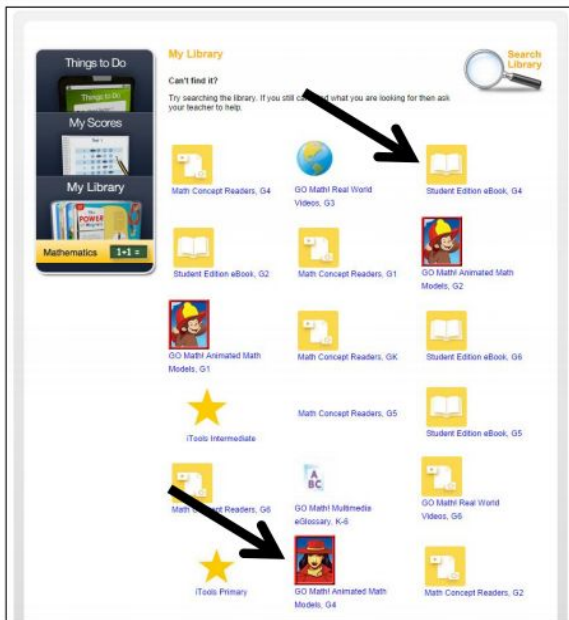

4. Use the “HVRSD” bookmark folder to locate the ThinkCentral bookmark.

5. Click on the “My Library” Link

6. Click on the grade level resource that you are looking for:

After this initial log-in, the HVRSD bookmark folder will be present for you or your child to use to access Think Central. If you “log-out”, simply complete the above steps to re-gain access the HVRSD bookmark folder.
