ALUMNAE NEWSLETTER

Inspiring young women to be leaders of tomorrow.

fontbonne.org

Dear Alumnae,

Fontbonne's 2016-2017 School year opened on September 8th on a wonderful note. At the "welcome back" assembly, Principal, Mary Ann Spicijaric, addressed the students, faculty, and staff with a theme referencing the mission statement of the Sisters of St. Joseph. Four tenets were discussed and each grade level was asked to make one of the those tenets a pledge for the year. Associate Principal, Gilda King, talked about the importance of sharing time, talent, and treasure to continue to make Fontbonne a truly alive and flourishing community. The school community was asked to be "all-in" and pledged to do so....

Welcome to the first Alumnae newsletter for this school year. The "Forever Fontbonne Friday's, published by the Office of Alumnae Relations, will now be communicated as our alumnae monthly newsletter. As the new Director of Alumnae, it is my hope to bring our Alumnae into the Fontbonne Family by keeping everyone updated on what is happening within the academic community as well as our social community.

The Parents Association is in the process of planning the annual Walk-a-thon on Friday, October 7, 2016. The event will kick-off from Fontbonne's Gym at 8AM. We will walk to 4th Avenue and the Shore Promenade then north to the 69th Street Pier and back. We will celebrate with a barbeque and fun gathering on campus. If you would like to join us for the walk, help supervise the route,, let us know.

The Alumnae Reunion for the year's ending in 1's and 6's will be held on October 15th. The day begins with a honoree breakfast for our Sisters marking their 50th Anniversary in our newly renovated Foyer. Mass follows in our Gymnasium. Alum will be invited to take a walk through campus with student lead tours, and then the luncheon at the Bay Ridge Manor. Invitations

included an e-vite this year to all those whose email addresses are on file (see invitation below).

Alumna Samantha Attilio also joined us for our opening assembly. She invited our students, faculty, and staff to join her for the Pietro's Fightwalkathon on Saturday, September 24, 2016 at 8:00 am for registration on the Shore Promenade at 69th Street. More information will be posted on our newly designed website. Join Samantha, a living example of a Fontbonne Grad sharing her time, talent, and treasure for those in need for this wonderful charity.

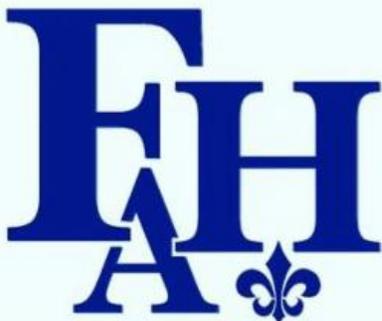

Remember, you are always welcome to come by for a tour of our beloved Fontbonne. I am keeping in touch so you can be in touch... and together, we can be "all-in" for Fontbonne.

Until next time...
