

## Graduation, Course and Credit Requirements

A Christian Life High School diploma will be granted to all full-time students who have met Christian Life Schools' graduation requirements. To be eligible for graduation, students must earn 28 credits. These credits must be accumulated in grades 9 through 12.

Each semester of coursework passed earns .5 credit toward the 28 needed for graduation. Coursework in high school must be passed by semester or repeated, either the following school year or in summer school. **ALL** coursework must be successfully completed to participate in the graduation ceremonies. Any outstanding coursework must be completed by Semester 1 to receive either of the Christian Life High School diplomas.

Students who opt to continue with Christian Life High School (CLHS) on a part-time basis, in 11<sup>th</sup> or 12<sup>th</sup> grade, will earn a Christian Life Home Education diploma and will share class rank with our full-time CLHS students.

Christian Life High School students can pursue either a minimum requirement or college preparatory program:
