

# Northville High School Adopt-A-Student Adoptee Information Form

Welcome to Northville High School! We have a special program to help you adjust to our school. One of our students will “adopt” you before the first day of school. They will be a friend and mentor to you and answer any questions you have, and be with you until you feel comfortable. To help us choose an adopter with interests similar to yours and get in contact with you, please fill out this form as completely as possible. If you have any questions or concerns, please leave us a note on the back of this sheet. **Summer enrollments-Email this completed form to [Cavanaju@northvilleschools.org](mailto:Cavanaju@northvilleschools.org)**
